membership drive was conducted by IEEE SBC of Sri Sai Ram Engineering College at t Classroom on 06/11/2023.All the 39 societies of our college participated in it and utilised the opportunity provided to them.

On behalf of the IEEE Circuits and Systems Society (CASS) of SEC, our Chapter Advisor **Ms.S.Usha** explained the benefits of joining the IEEE, societies and the additional benefits given by the CASS for the students. She also shows the glimpses of the various events which have been conducted up to date . Also a brief information was given regarding the awards, travel grants, students focused competitions and the various upcoming conferences in the CASS society. PICO program, CAS MiLe was also discussed. Professional members and Student members of CAS highlighted the benefits of joining CASS to fellow students in the respective class room. Many students cleared their doubts during this membership drive. We thank our CEO **Dr.Sai Prakash Leo Muthu** , our Principal **Dr.K.Porkumaran** , IEEE Chair , Madras

section , our beloved HOD and Dean (Academics) **Dr.J.Raja** , and also the Student Branch members of SEC IEEE for letting us share our knowledge about our society.
