Representatives from various student organizations continued their participation in the 2nd University of Southern Mindanao (USM) Leaders Engagement for Accelerated Performance (LEAP) Academy today, July 22, at the USM Commercial Building.

The student leaders attentively listened to resource speakers who discussed key laws, including the Anti-Violence Against Women and Their Children Act, the Anti-Sexual Harassment Act of 1995, the Safe Spaces Act, and the Anti-Hazing Law.

Participants were also informed and equipped by the lecturers on how to appropriately respond to reported concerns.
