STUDENT SELF-EVALUATION FORM (FOR TEACHER)

Instructions: Answer the questions below thoughtfully and honestly, typing your answers below each question. _You do not have to answer every question_, but do not rush through this form. The more specific details you provide, the more thorough your recommendation letter will be. Whenever possible, try to think of examples or stories that demonstrate the point you are trying to express. Email the completed form to your teacher no later than **September 1**.

Name_____ Today's Date _____

1. Which teacher are you asking to write your letter of recommendation? Why did you ask this teacher? Be as specific as possible.

2. What do you remember from this class? Be as specific as possible.

3. What did you do or demonstrate in this class that you would like the teacher to mention in the letter?

4. Have you received any awards or recognition that pertains to this subject?

5. Describe an experience in this teacher's class(es) that was meaningful to you and explain why.

6. What is the most significant or interesting thing you learned in this class?

7. What are some other lasting memories you have from this teacher's class or from interacting with this teacher?

8. In what ways have you applied what you've learned in this class or do you anticipate it will apply to future studies or life experiences?

9. Did anything hurt your performance in this class? If so, what?

10. How did you positively contribute to the classroom environment? (Think of how you interacted with peers and the teacher.)

11. What are some of the things you most enjoyed about this class?

12. What challenged you in this class?

13. Describe specific extracurricular or after school activities you participated in during high school which pertain to this teacher's subject.

14. How were the activities listed in #13 different because of your involvement?

15. Is there anything else that you think this teacher should know about you in order to better represent your academic performance or peer interaction? If so, explain.
