

Timeline Learning Targets

Learning Target #1 - I can make a single tier timeline that includes all the required parts.

- **title**
- **skeleton**
- **equally spaced hash/tick marks**
- **dates**
- **events**
- **graphics**

Learning Target #2 - I can identify and use correct timeline vocabulary

- **See flashcards or vocabulary worksheets.**

Learning Target #3 - I can identify similarities and differences between a multiple tier timeline and a single tier timeline.

- **A single tier timeline represents one series of events, while a multi tier timeline represents two series of events occurring during the same time period.**
- **Multi tier timelines have subtitles.**
- **Both timelines show events in chronological order.**
- **Both timelines can show relationships between events.**

Learning Target #4 - I can analyze a multi tier timeline.

- **I can identify a cause and effect relationship within a multiple tier timeline.**
- **I can find patterns and themes among events on a multiple tier timeline.**

Learning Target - I can identify similarities and differences between a multiple tier timeline and a single tier timeline.
