

WA State Ferries Maintenance Yard: Maritime and Trade Careers Field Trip

Date: April 16, 2025

Time: 8:45-12:45

We will be touring the Washington State Ferries Eagle Harbor Maintenance Yard on March 27th! We will also get to do a tour of all vessel positions underway on a round trip to Seattle and Winslow. Come explore all the different positions on and off a vessel available with the WA State Ferries. Several Trade based careers accessible through an apprenticeship program will be toured as well as Engineering, Deck, and terminal careers available to explore. Students will get to try some hands on trade skills and rescue boat events.

Field Trip will depart BHS at 8:45 and returning to BHS around 12:45. Students will return to campus for second lunch. Space is **limited to 25 students**. Priority given to upper classmen. **Registration and Permission forms are required to reserve a spot.**
