November 2023 Coordinated Election
Local Elections Matter!

This fall's November 7 Coordinated Election will feature state and local level content. Here are some key details and dates to get you ready to vote in this year's election:

- **Voting:** All active, registered voters will automatically be mailed a ballot, but Vote Centers will also operate for those who need or want to vote in person, to vote using accessible voting equipment, to get a replacement ballot, or to register or update their voter registration in person.
- **Voter Registration:** If you are not sure if you are registered or have moved in the last year, check your voter registration at www.GoVoteColorado.gov. Colorado does not have a registration deadline (you can register and vote on the same day), but early registration is encouraged.
- **Know Your Voting Rights:** Please see our website or contact our office if you have any doubt about your ability to register or vote. We are here to help and support you.
- **Ballot Content**: Do your research early and be ready to vote! You can pull up a sample ballot at www.GoVoteColorado.gov.
- **Spanish Language Resources**: All election offices and Vote Centers have access to a language assistant hotline and voters in Boulder or Weld County can request to vote in Spanish at Vote Centers (not available in Broomfield). Additionally, Boulder County has translated election information available at: www.BoCo.org/Votar.
