

Kidz Stop Privacy Policy

Effective Date: June 25, 2024

Welcome to Kidz Stop! We take the privacy of our users very seriously, especially our youngest ones. This Privacy Policy explains what information we collect from users of our mobile application and how we use it.

What Information Do We Collect?

Kidz Stop does not collect any personal information from users. This means we don't require account creation, track your activity within the app, or collect any identifiers like advertising IDs.

Security

We take reasonable measures to protect the security of any limited information that may be indirectly collected through the app store platform (e.g., device type, OS version).

Changes to this Privacy Policy

We may update this Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on the App. You are advised to review this Privacy Policy periodically for any changes.

Crashlytics and Analytics

To improve the app's performance and user experience, we use Crashlytics and analytics services. These services help us understand app usage and diagnose technical issues without collecting any personal identifiers. No personal information is gathered or stored.

Important Notice Regarding Children's Privacy

Kidz Stop is intended for users of all ages. However, we encourage parents and guardians to be involved in their children's online activities and to use parental controls where available.

Thanks for using Kidz Stop.
