

WHAT WOULD JESUS DRIVE? (WWJD) By David Kai ©2016

CHORUS:

A7 D G
Oh what would Jesus drive, Oh what would Jesus drive?
D A7
I ponder every day as I go through it,
D G
Though many folks are asking, "Well, what would Jesus do?"
D A7 D A7
I'm wondering just what drove him to do it.

D G
I thought at first that Jesus would have to drive a car,
D A7
Like a Chevrolet, a Chrysler or a Ford,
D G
But I looked it up in Acts and it's mentioned there in John,
D A7 D
Jesus and the disciples were all in one Accord.

CHORUS:

D G
God gave this great green earth, but we've really messed it up,
D A7
It pains God's heart and spirit just to see us,
D G
Since God so loves the birds and the lilies of the field,
D A7 D
I think that Jesus just might drive a Prius.

CHORUS:

D G A7 D D7 G G#dim7 D A7 D
