

Greetings, Robert Goddard Montessori Community,

I hope you're all having a wonderful start to the week!

A big thank you to the parents who attended our focus group as well as those who joined us for TAG Night. Your engagement and feedback are invaluable as we work together to support our students' success.

I'm pleased to share that we completed Quarter 1 benchmark testing on Friday. Once all sections have been scored, we will share the results with you. We appreciate your patience as we finalize this important assessment process.
