young female victims for their 'training' to have them satisfy rich men who would be given the girls. (The Astrogenetics of Serial Killers, Johnston, 2020, The Science of Astrology, <https://www.thescienceofastrology.ca/> https://docs.google.com/document/d/10qCLO0lh52LTYdVJatIXYTj_MC3nXyru_BP_txc9UwY/edit?usp=sharing) This is most likely all caught up with a sort of home business as she would think of it. The moon rules her second house with Cancer on the cusp. The Moon is in the fourth house in Leo. It is also all about ego.

Virginia Roberts Giuffre v. Maxwell (2015)

The above horoscopic features are seen manifested in reality by the case filed as *Virginia Roberts Giuffre v. Maxwell* (2015). The victim claims, which were made public in January 2015, contained a deposition from "Jane Doe 3" that accused Maxwell of recruiting her in 1999, when she was a minor, and grooming her to provide sexual services for Epstein. The Miami Herald revealed Jane Doe 3 to be Virginia Giuffre, who was previously known as Virginia Roberts. Giuffre met Maxwell at Donald Trump's Mar-a-Lago Club in Palm Beach, Florida, where Giuffre was working at the time. Schneier, (Matthew (15 July 2019). "Ghislaine Maxwell, The Socialite on Jeffrey Epstein's Arm". New York. Archived from the original on 15 July 2019. Retrieved 15 July 2019.) She asserted that Maxwell had introduced her to Epstein, after which she was "groomed by the two [of them] for his pleasure, including lessons in Epstein's preferences during oral sex". (Brown, Julie K. (28 November 2018). "Even from jail, sex abuser manipulated the system. His victims were kept in the dark". Miami Herald. Archived from the original on 1 December 2018. Retrieved 30 November 2018.)

This is a very close analogy to Paul Bernardo and Karla Homolka. (Astrogenetics: The Serial Killer Genome, Part Two: The Characters of Serial Killers and Their Victims as Observed in Their Natal Genomes, Johnston, 2020, Johnston, 2020, The Science of Astrology, <https://www.thescienceofastrology.ca/> https://docs.google.com/document/d/107lg5JzxnaDVQy9vQtYh6t_DeHj0tltC0TNI-FY6fo4/edit?usp=sharing) They both, it appears, had sex with the girls. Details of a civil lawsuit, made public in January 2015, contained a deposition from "Jane Doe 3" that accused Maxwell of recruiting her in 1999, when she was a minor, and grooming her to provide sexual services for Epstein. A 2018 exposé by Julie K. Brown in the Miami Herald revealed Jane Doe 3 to be Virginia Giuffre, who was previously known as Virginia Roberts. Giuffre met Maxwell at Donald Trump's Mar-a-Lago Club in Palm Beach, Florida, where Giuffre was working at the time. (Matthew (15 July 2019)

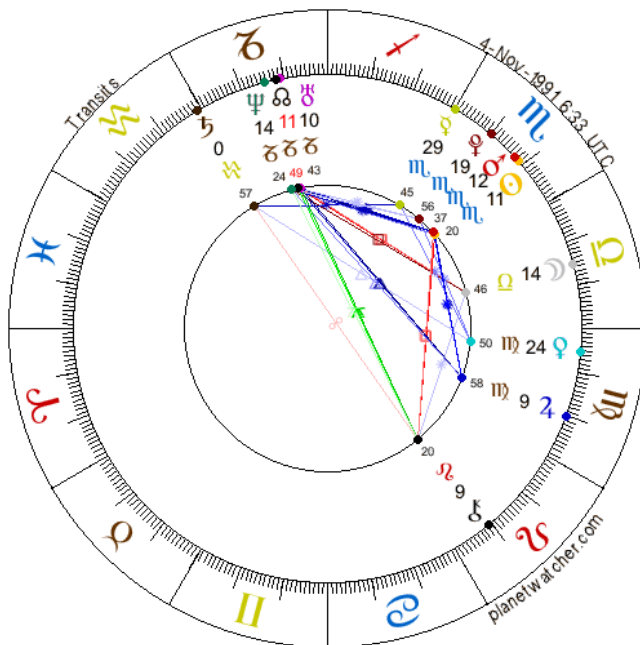

Priscilla Doe v. Epstein's estate (2019)

Ghislaine Maxwell was named in one of three lawsuits filed in New York on 20 August 2019 against the estate of Jeffrey Epstein. The woman filing the suit, identified as "Priscilla Doe", claimed that she was recruited in 2006 and trained by Maxwell with step-by-step instructions on how to provide sexual services for Epstein. ("New lawsuits detail how Jeffrey Epstein allegedly lured victims". CBS News. 20 August 2019. Archived from the original on 27 August 2019. Retrieved 30 August 2019.)

Ghislaine's early childhood provides us with clues to her behaviour. In her tenth house is Jupiter in Aquarius. This suggests an aloofness and sort of distant relationship with her father,

He did not seem to appreciate her. She always wanted to please him. He was very domineering, but her relationship with her mother even from the earliest days of her life were not nurturing. Maxwell was born two days before a car accident left her older brother Michael in a prolonged coma at age 15, unresponsive for several years until his death in 1967. (Maxwell, Elisabeth (1994). *A Mind of My Own: My Life with Robert Maxwell*. New York, NY: HarperCollins Publishers. Pp.1)Her mother reflected that the accident had an effect on the entire family, with Ghislaine becoming anorexic while still a toddler. In other words the accident left Ghislaine with a sort of post traumatic stress syndrome as a result of her experiencing her mother's trauma resulting from the accident. This would have left her mother cold and distant, in a state of shock. This would have put her off her food at a very early age, She suffered then from chronic malnutrition growing up. Her need to please her father would have stemmed from the comfort she received from her father during the traumatic aftermath of the accident. She would have yearned for that cuddling for the rest of her life.

Her relationship with her father Robert Maxwell was distant even though he was what she needed. Being a publishing giant and a Member of Parliament he would have had many periods where he would not be home and Ghislaine would have been left alone. The shattered emotional state of her mother would have not offered the attention she needed. This was all genuine and shows a modicum of child abuse as she grew up. Not an overt child abuse, but rather an insidious creeping abuse and deprivation of affection and a stern hand to control her wild emotions. There is a good chance that Ghislaine is schizophrenic as a result. Ghislaine was also the youngest of nine children. Robert Maxwell died of an apparent heart attack and he then fell off his yacht into the ocean on Nov 4, 1991.

We see that Jupiter, the planet in her tenth house of father, is at nine degrees of Virgo. At the time of the horary shortly after Ghislaine's arrest on July, 2nd, 2020, that the moon and Uranus are at nine degrees of Sagittarius and Taurus respectively. In the chart of Jeffery Epstein we see that his ascendant is at nine degrees of Sagittarius, the exact place of the moon in the

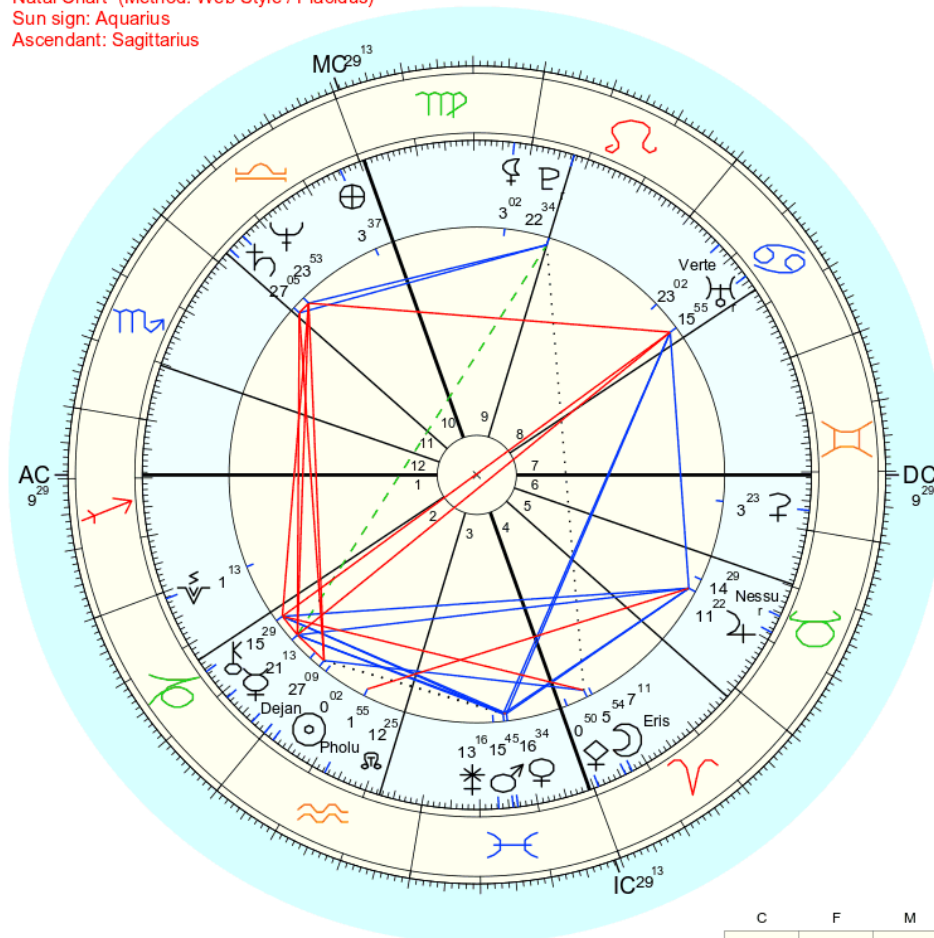

horary for her arrest. We may also presume from this that in fact her recorded birth time of 3:20PM is slightly later than her actual first breath and thus, she has nine degrees of Gemini rising and nine degrees of Sagittarius on her seventh house cusp of legal actions.

Jeffery Epstein's Primary Aspect is Pisces Mars Uranus Cancer. Aquarius Sun Mars Pisces is his Secondary Aspect. He was a despot. He was cruel and mean in every way. He had a sort of cold and logical turn of mind and was probably a genius too, like Ghislaine. He used people to fulfill his fantasies in his home. He shared these traits with Ghislaine.

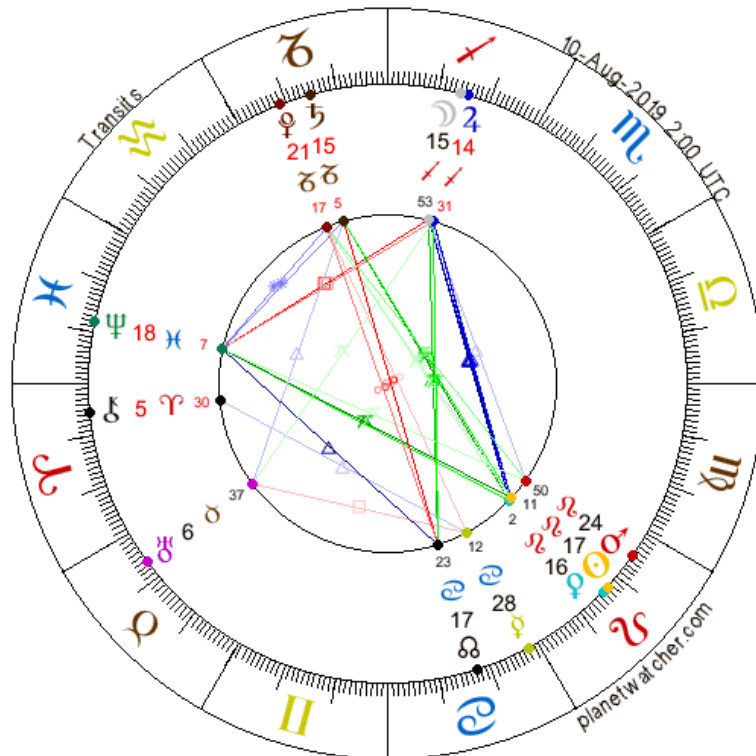

Epstein was sentenced to 13 months in jail for hiring a 13 year old to give him a massage in her underwear only. Notice that the Sun is at nine degrees of Cancer. It occurred in his home and shows it was all part of his need to have his private perverted fantasies come true.

Epstein considered himself to be an artist as we can tell from his close Sun/Mercury aspect. In 1967, Epstein attended the National Music Camp at the Interlochen Center for the Arts. He began playing the piano when he was five. Being a frustrated musician he probably felt resentment for having to 'work' for a living. He then made part of his work the work of providing pleasure for his male and perhaps female business associates through his cruel trainings of the girls who were slated to be abused. It is quite easy to see how all of this would have 'turned on' Epstein thinking about the cruelty he was able to inflict on others due to his power and wealth. As an attestation to Epstein's Mercurial assets he started working in September 1974 as a physics and mathematics teacher for teens at the Dalton School on the Upper East Side of Manhattan.

As a testament to his Primary Aspect powerfully influencing his character, Pisces Mars Uranus Cancer, is that he was a sadist. Mars in Pisces imbues a rather cruel streak that will attack another person and make them crawl to meet their demands. That combined with the eccentric lusts of Uranus in Cancer would make him a person who would lure girls to his home to make them his sex slaves. Court documents record that a search of Epstein's residence by

Palm Beach Police detective Joseph Recarey in 2005 uncovered an incriminating Amazon receipt, for books on sex slavery. The books he ordered are titled: "SM 101: A Realistic Introduction", "SlaveCraft: Roadmaps for Erotic Servitude – Principles, Skills and Tools" and "Training with Miss Abernathy: A Workbook for Erotic Slaves and Their Owners." (Rolling Stone Magazine, AUGUST 12, 2019 3:17PM EST.)

Epstein was found dead in his cell on August 10, 2019. He was hung. The guards had done no checks on him that night and claimed they had fallen asleep. The cameras in front of his cell were disabled that night and were not functioning. It seems likely that he was murdered. Pluto was at 24 degrees of Capricorn, where it is now as Ghislaine is arrested. This makes the aspect Sagittarius ascendant Pluto Capricorn. Jupiter, Epstein's ruling planet, was in Sagittarius when he died. This is the sign of government. Pluto was in Capricorn, the sign of Big Business.

Epstein also stated to some people at the time that he was an intelligence agent. (Rosser, Nigel (January 22, 2001). "Andrew's Fixer She's the Daughter of Robert Maxwell and She's Manipulating his Jetset Lifestyle". Evening Standard. p. 10. [Epstein] has a licence to carry a concealed weapon, once claimed to have worked for the CIA although he now denies it – and owns properties all over America. Once he arrived at the London home of a British arms dealer bringing a gift – a New York police-issue pump-action riot gun. 'God knows how he got it into the country,' a friend said.) During the 1980s, Epstein possessed an Austrian passport that had his photo but a false name. The passport showed his place of residence in Saudi Arabia. Investigative journalist Vicky Ward said she was told in 2017 by "a former senior White House official" that U.S. Florida District Attorney Alexander Acosta, who handled Epstein's criminal case in 2008, said to Trump transition interviewers "I was told Epstein 'belonged to intelligence'

and to leave it alone" and that Epstein was "above his pay grade". During this period, one of Epstein's clients was the Saudi Arabian businessman Adnan Khashoggi, who was the middleman in transferring American weapons from Israel to Iran, as part of the Iran–Contra affair in the 1980s.("Who Was Jeffrey Epstein Calling? A close study of his circle—social, professional, transactional—reveals a damning portrait of elite New York". New York. July 22, 2019) Khashoggi was one of several defense contractors that he knew. (Rosser, Nigel (January 22, 2001). "Andrew's Fixer She's the Daughter of Robert Maxwell and She's Manipulating his Jetset Lifestyle". Evening Standard. p. 10. [Epstein] Epstein traveled multiple times between the United States, Europe, and Southwest Asia.Winter, (Tom; Li, David K. (July 15, 2019). "Jeffrey Epstein had cash, diamonds and a foreign passport stashed in a safe, prosecutors say". NBC News. Archived.) While in London, Epstein met Steven Hoffenberg. They had been introduced through Douglas Leese, a defense contractor, and John Mitchell, the former U.S. Attorney General.(Ward, Vicky (June 27, 2011). "The Talented Mr. Epstein". Vanity Fair. New York City. Archived from the original on June 12, 2015. Retrieved June 11, 2015.) In other words, there were plenty of people with the whereabouts, both civilian and not, with enough motivation to kill Epstein.

Prince Andrew, Duke of York, has been implicated in all of these affairs. In a December 2014 Florida court filing by Bradley Edwards and Paul G. Cassell meant for inclusion in the Crime Victims Rights Act lawsuit, (Williams, Timothy (January 6, 2015). "Alan Dershowitz Denies Suit's Allegations of Sex With a Minor". The New York Times. Archived from the original on January 7.) Virginia Roberts Giuffre (then known as Virginia Roberts), alleged in a sworn affidavit that at age 17, she had been sexually trafficked by Epstein and Ghislaine Maxwell for their own use and for use by several others, including Prince Andrew (Stieb, Matt (July 10, 2019). "Everything We Know About Jeffrey Epstein's Private 'Pedophile Island'". Archived from the original on September 3, 2019.) and retired Harvard Law professor Alan Dershowitz. Giuffre also claimed that Epstein, Maxwell and others had physically and sexually abused her. She

alleged that the FBI may have been involved in a cover-up. She said she had served as Epstein's sex slave from 1999 to 2002, and had recruited other underage girls. Prince Andrew, Epstein, and Dershowitz all denied having had sex with Giuffre. Dershowitz took legal action over the allegations. Giuffre filed a defamation suit against Dershowitz, claiming he purposefully made "false and malicious defamatory statements" about her. A diary purported to belong to Giuffre was published online. Epstein entered an out-of-court settlement with Giuffre, as he had done in several other lawsuits.

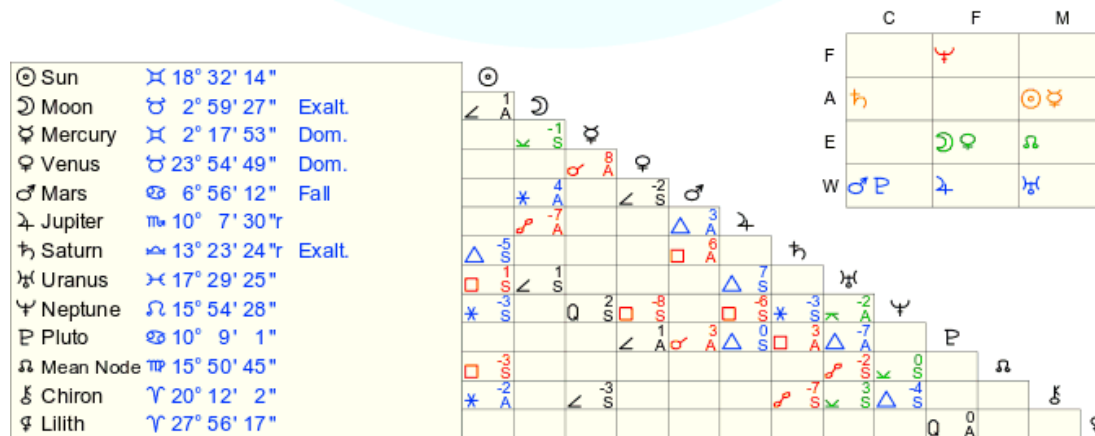

According to the BBC Prince Andrew said he first met Epstein, a wealthy hedge fund manager, in 1999 through Ghislaine Maxwell, Epstein's British girlfriend and a woman the prince said he had known since she was at university. That year was the first time the prince and the businessman were linked in press reports in the UK and US. Prince Andrew reportedly flew with Epstein on his private Gulfstream jet in February 1999, according to a log book seen by the Daily Mirror in 2015. The destination was said to have been Epstein's private island, Little St James in the US Virgin Islands. The Daily Mail also reported that 10 months earlier Epstein's logbook showed he had flown to the same location to meet the prince's ex-wife, Sarah Ferguson. The couple had divorced in 1996.

This places Prince Andrew in a very bad light as even being on that Island would expose you to pedophilia as there were always underage girls in 'training' there. It also makes Sarah Ferguson complicit. Prince Andrew has Leo Rising with his moon and Neptune in Scorpio, the sign of sex. Andrew's Neptune is at nine degrees of Scorpio and thus, is in aspect with Pluto in Capricorn and Uranus in Taurus exactly in opposition to his Neptune. Neptune is the crafter of lies and fabrications as well as fantasies. It appears Andrew's life is about to become unravelled as a result of his untruths.

Robert Maxwell, Ghislaine's father, was a questionable character. It is reported he was disgraced in the end. It emerged that without adequate prior authorization, Maxwell had used hundreds of millions of pounds from his companies' pension funds to shore up the shares of the Mirror Group to save his companies from bankruptcy.

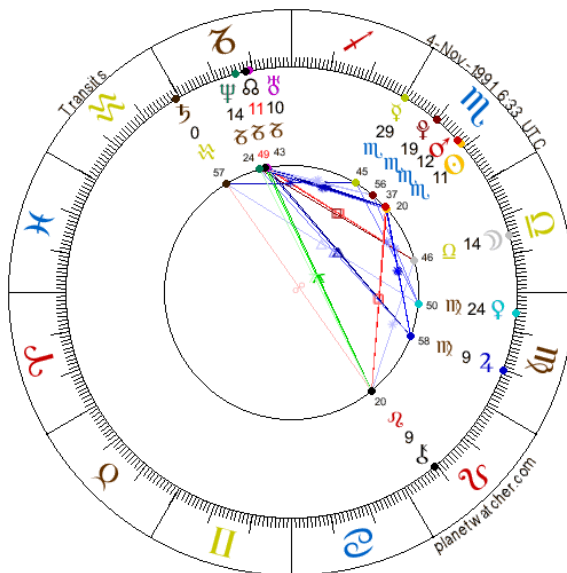

He was involved with a great deal of military action as can be deduced from his primary aspect Cancer Mars Pluto Cancer. He had killed many men. Maxwell had an unusually close relationship with her father and was widely credited with being her father's favourite child. The Times reported that Robert Maxwell did not permit Ghislaine to bring her boyfriends home or to be seen with them publicly, after she started attending Oxford University. The Primary Mars/Pluto aspect would make him very controlling.

Ghislaine's mother was born on March 11, 1921. There are few nurturing aspects between Ghislaine's chart and her mother's. What there is are Jupiter Aspects to Ghislaine's moon and Saturn. She dominated Ghislaine and was cold towards her. I would think that it was a kind of nightmarish situation for little Ghislaine. She would be held aloof by her domineering mother and not have the comfort of her absent father. Elizabeth's Primary aspect is Pisces
 Uranus Saturn Virgo Virgo Saturn Pluto Cancer. It is very likely that she was quite mad herself and may have passed on her schizophrenia to her daughter.

Elizabeth Maxwell died on August 7, 2013. Pluto was at nine degrees of Capricorn and Jupiter was at nine degrees of Cancer. Saturn in Scorpio, the sign of death, was in aspect with Elizabeth's Sun, the giver of life. At nine degrees Jupiter and Pluto made aspect with Ghislaine's Ascendant, Jupiter and Mercury.

After Robert Maxwell died Ghislaine started seeing and working for Jeffery Epstein. She must have seen in Epstein a father figure for some reason. He was an older man with power and authority. Epstein's household employees testified that Epstein referred to her as his "main girlfriend" who also hired, fired, and supervised his staff starting around 1992. That would in all probability include the girls. In Ghislaine's troubled mind she transposed the services she provided for her father, which it seems were all above board and they truly loved each other, to a sick perverted man who used her mental illness as a tool to serve his needs.

In conclusion then Ghislaine is most apparently guilty of all the crimes she has been accused of. Jeffrey Epstein was a cruel and perverted man who manipulated people to see them suffer and serve his own perverted needs. I would suspect that part of Ghislaine has no idea what the other part of her has done and considers the whole thing insane, which it is, but it is her insanity that is at the root of it all. She is the one who it seems masterminded it all and partook of the girls and whatever other sexual escapades they may have been involved with.

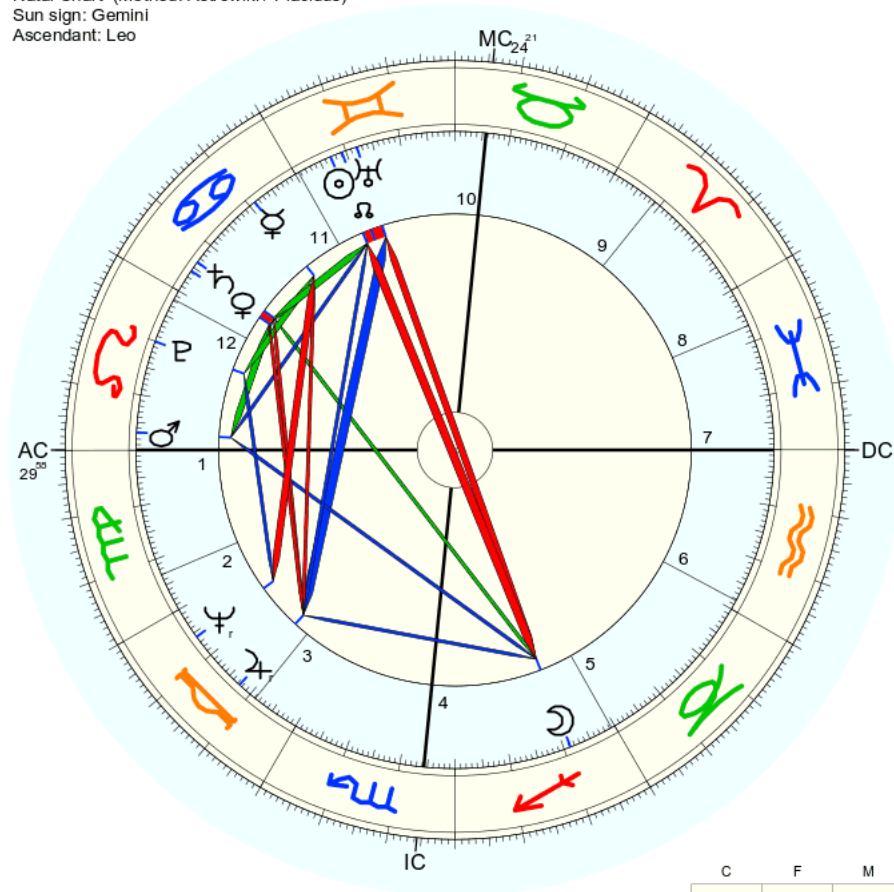

Donald Trump is also guilty to an extent due to his association with them and in all likelihood used Maxwell's and Epstein's services to procure Melania. However, this was all done in what appears to be good faith, as they did fall in love and marry as was observed in the analysis of Donald Trump's chart. That does not rule out, however, that Trump using Ghislaine and Jeffrey on other occasions for other girls' services, or how would he know to contact them to find a more serious relationship.

We can observe from Donald Trump's chart below that his Mercury is just shy of nine degrees of Cancer.

Donald Trump, Melania, Jeffrey and Ghislaine.

When Jeffrey Epstein's little black book of phone numbers appeared in a court file a few years ago, it contained 14 numbers for Trump; his wife, Melania; and others in Trump's inner circle. Trump used to visit Epstein at his home. In a 2016 book, Stone quoted Trump as saying that "One time I visited [Epstein's] Palm Beach home, the swimming pool was full of beautiful young girls. 'How nice,' I thought, 'he let the neighborhood kids use his pool.' "

At the time of Ghislaine's arrest today Mercury, Uranus and Pluto were in close aspect with Trump's Mercury, the planet of news. This must not be sitting well with him and he must be as nervous as a cat on a hot tin roof. Uranus is in Trump's tenth house, his career. His Pluto is in the 12th house of his darkest secrets, which was extensively analyzed in his horoscope. His

Mercury is in the 11th house of associates and they all should have been much more circumspect in these circumstances. Mercury is in Cancer, so it also hits him right at home with Melania and the now suspect circumstances of their romance. Pluto is in Leo, so Trump's ego is being destroyed by it all. Uranus is in Gemini, one of his own fountains of insanity and this calamity being induced by a probable schizophrenic.

They are all guilty and Ghislaine is no less guilty than any of them, even if only part of her knows what has happened. Anyone who would go into a man's house with a bunch of very young girl's in his swimming pool and not leave and better yet, call the police, is partaking in a crime.
