

## Questions for 1 on 1s

Note that using the questions is optional, we encourage you to talk about whatever you want

- Which cause areas do you both care about?
- What do you think is the most neglected project/activity in a shared cause area?
- If you had all your living costs paid for, what project would you work on and why?
- What's your current plan for improving the world?
- Where is the best place for you to work if you wanted to do the most good?
- What drives you? What do you care about?
- What's a bottleneck you have with regard to having more impact?
- What book/blog would you recommend?
- If you change your mind about something significant after talking, what might it be?
- What was the last thing you changed your mind about?
- What was the most useful thing you've learnt in the last week/month/year?
- What do you spend time thinking about that the EA community seems to not talk about?
- What are the biggest ways you might be able to help them?
- What are the biggest ways they might be able to help you?
- Do you have access to something that they don't?  
(Information? People? Projects? Concepts?)
- When did you know that you wanted to be altruistic and why?
- When did you realise you care about effectiveness and why?
