

2025 WRAP UP

This year, with Music we:

- Finished all the tracking for our next album release and songs were sent for mastering!
- Performed for the 10 year anniversary of Live on Elgin, a venue we helped open back in the day!
- Were nominated in the Music Educator of the Year category at the Capital Music Awards for the second time!
- Lived in the studio for a week on top of monthly studio streams, starting 2 new writing projects with our producer Dean!
- Played 1153 songs live on stream, beating our 2024 record! It IS a music stream!
- Raised over \$2000 for charitable causes.

This year, with Art we:

- Ran our first original art auction online with friends around the world bidding on my original artwork (a wild experience).
- Added a new art skill to our toolbox and learned pyrography to create over 40 custom pieces of the basement to send to friends.
- Continued our VIP program that led to a monthly watercolour painting giveaway for our big community supporters! We painted books and houses and
- Launched 5 new watercolour paintings in our shop!
- Had our emotes used all across Twitch. As an emote artist on Twitch with a few wonderful channels commissioning my work and using my emotes, I am happy to share that my emotes were used 170,124 times in 2025!
- Began setting up a workshop to scale our shop with big plans for 2026!
