

Sample Concurrent Classroom Lesson Schedule

Time	In-Person Learning	Online Learning
15	Whole Class Welcome Task: • Example: • Teacher welcomes students, takes attendance, etc. 	 • Writing Prompt: "A trip to the veterinarian's office." Take the viewpoint of the dog. Tell the story, using precise details, emotions, and dialog.
5-10	Lesson Preview: • All students build schema and content knowledge by reviewing resources on an MMTS (example). • Conduct a quick discussion to share thoughts, noticings, etc.	
30	Hyperdoc: • Sample Hyperdoc here • Students complete individually at their own pace. • "May do" activities for early finishers.	Meet with Teacher: • Meeting with students 1:1/small groups • Teachers spend most of their time providing face-to-face tutoring, guidance, and enrichment to supplement online lessons.
30	Meet with Teacher: • Meeting with students 1:1/small groups • Teachers spend most of their time providing face-to-face tutoring, guidance, and enrichment to supplement online lessons.	Hyperdoc: • Sample Hyperdoc here • Students complete individually at their own pace. • "May do" activities for early finishers.
30	Collaborative Practice: • In-class groups, online groups, or a mix of in-class and online students in groups. • Teacher works with individual students to help support; checks in with breakout rooms periodically.	
10	Exit Ticket: • Students complete Google Form that includes questions about content as well as an opportunity to ask questions and provide feedback to the teacher.
