Subject: Agreement Between Owner and Builder For Construction

From,

Name _____

Address _____

Dear _____,

This is the agreement between _____ and _____ that specifies the details of a construction project. construction contract details contains the project, payment, type of work being done and the legal contract rights and more.

For some of the types of construction projects, may need government permits in addition to the construction contract and the being work. And, also this agreement allows both the parties to put in writing the exact nature and also the detail of the work to be performed. Also the responsibilities of each party throughout the course of construction.

If have any doubts contact me at _____.

Yours Sincerely,
