

Accelerated Math 6: Month 5, 2025-26

Month 5 is very short and it leads right into the end of the first semester. Here's what to expect:

Week 1: Finish Chapter 14 — Ratios and Proportions

- The **only written work** you need to turn in this month is **one piece for your supervising teacher** for the audit file. I'm **not** collecting any written work—*not even a cover sheet*. (I will accept written work from previous months.)
- Even though you will complete all assignments **online** this month, you will still need pencil and paper to work out many of the problems. You will also be required to **show all steps** on the **M4/M5 Test**.
- There is **no Review in Get More Math** and **no Extra Credit** this month.

Week 2: M4/M5 Test (Chapters 5 & 14 — Ratios, Rates and Proportions)

- There have been changes to the testing schedule, so please check the updated dates and times carefully.
- Give yourself enough time to study. There is **no retake** option for the Month 5 test.

Week 3: i-Ready Diagnostic (20 points)

- There is no regular class this week. Please work on the iReady Diagnostic .
- The i-Ready typically takes **2–3 sessions**. You must finish it **before Winter Break**.
- You don't have to take it with me. Here is the schedule of available sessions: [iReady SCHEDULE](#)

Deadline Reminder

- **ALL SEMESTER 1 WORK (besides the iReady) MUST BE TURNED IN BY DECEMBER 12 (End of Week 2).**
