LUXURY PRESENCE

Newsletter Strategy 101

Link every logo or image to your website

Always direct readers to a relevant page—property listings, blog posts, or landing pages on your Luxury Presence site. Every click is a step closer to conversion.

🏡 Your Newsletter Blueprint

Header

- Your logo, clean and clickable
- A brief, friendly intro message from [Your Company Name]—set the tone

Featured Properties

 Spotlight standout listings in [Austin, TX] Use striking images, 2-3 highlights per property, and contact buttons that link out

Recent Blogs

 Share blog titles, a compelling excerpt, and an image Always include a link to "Read More" on your website

Calls to Action

- Add buttons to:
 - Your home valuation tool
 - Active home search page
 - Buyer/seller guides
- Wrap with your contact info and clickable social icons

Meet the Team

- Introduce team members with a quick bio and fun fact
- Share stories that show personality and local roots in [Austin, TX]

Market Update

- Keep it sharp and data-driven:
 - Local price trends
 - Inventory updates
 - o Any policy shifts worth knowing

Homeowner Tips

- Offer practical, seasonal advice
- Recommend local pros—painters, landscapers, contractors—show you know the area

Neighborhood Spotlights

- Feature different [South LA] communities
- Add interviews, favorite spots, and a local flavor that resonates

Success Stories

- Post short client testimonials
- Link your Google Business Profile to encourage reviews
- Include before/after photos when possible

Upcoming Events

- Highlight local happenings—markets, festivals, fundraisers
- Pro tip: Blog about these events on your site, then link to the post from here

Real Estate Insights

- Educate with value-packed articles or infographics
- Include a buyer's guide link for first-time clients

Financing Tips

- Share updates on mortgage options, interest rates, or trusted local lenders
- Add a link to your on-site mortgage calculator

Keep it polished. Keep it consistent.

- Use high-quality visuals and a cohesive brand style
- Write with your community in mind—insightful, friendly, and actionable
- Update regularly to reflect what's happening now
