Principal Message

Dear North Hudson Families,

With just 12 days of school remaining, we have encouraged our students to finish the year strong. We will continue to approach each day with enthusiasm, determination, and a steadfast focus on learning, growth and fun! Whether in the classroom, on the playground, or at home, let's strive to make every moment count as we celebrate our achievements, support one another, and embrace the opportunities that lie ahead. Together, we can make these final days memorable and meaningful for all. Let's finish the school year strong!

Health Office

With the end of the school year approaching, I would like to remind you that if your child has any medications (prescription or over the counter) in the Health Office, to please pick them up before or on the last day of school.

Policy dictates that we cannot send medication(s) home with students, so we ask that medication(s) be picked up by a parent/guardian.

Medications(s) cannot be left here over the summer and will be discarded if unclaimed by the end of the school day, June 3rd.

Thank you kindly,

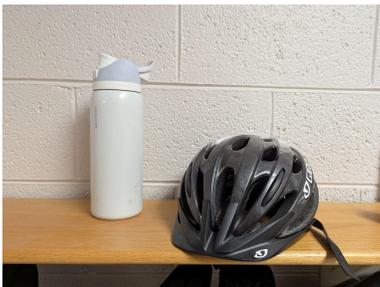

Kristen Ahrens
Health Assistant
