OWLS – November 13, 2025

Happy Thanksgiving

This year's OWLS Thanksgiving meal was provided by the HyVee Catering store in Janesville. It consisted of two boxes containing a cooked turkey, mashed potatoes, gravy, dressing, corn, rolls and cranberries. Unbeknown at the time was that the turkeys still needed to be cooked for about 2 hours. So, the dinner was delayed by about an hour until 1:00 pm. The turkeys were whole so they also needed to be carved before serving. The meal turned out to be great, although a little behind schedule. A group of 14 Owls enjoyed the meal.

The famous apple pie by Joann Rosenow and ice cream made a wonderful dessert to top off the dinner. The photo shows very little left in the pan. Jean's pumpkins were table decorations.

A group of 4 Owls attended the Lutherdale Travel Ministry presentation and lunch on Tues. Oct. 28 from 11am to 1 pm. Information on the 3 long travel trips was reviewed as well as the several one-day trips planned. Information is posted in the upstairs hallway.

The November and December meetings are scheduled on the second Thursday. rather than the 4th Thursday.

The December meeting will feature Michelle Gibbons presenting "A Novelist's Christmas Carol". The schedule for December will be Coffee at 9:30, presentation at 10:00, and potluck at noon. Plans are to invite other churches including Luther Valley, Our Saviors, Orfordville, and Faith of S. Beloit.
