

A new Super Villain is coming to PES to take on the Teacher Avengers! Team Leader America needs your help! Create your own superhero to help the Teacher Avengers defeat the evil villain and save the day!

Be sure to use LOTS of description words to SHOW your readers about your superhero not just tell them.

Use [Google Drawing](#) to help brainstorm your character. When you have finished creating your superhero write a paragraph describing your character to your blog readers. Your description should be 4-6 sentences long. **Be sure to have someone else read your paragraph before you post it on your blog!**

Finished: Post the Team Leader America picture above onto your blog, along with your Google Drawing and a copy of your EDITED paragraph from below.

YOUR TITLE SHOULD BE YOUR HERO'S NAME

Begin writing your description here. Remember to use lots of details and be creative! For example, Superman's paragraph might start out with "It's a bird! It's a plane!"
