

Internet Archive Video Downloader Privacy Policy

Effective Date: September 9, 2025

Thank you for using the Internet Archive Video Downloader Chrome Extension (hereinafter referred to as the "Extension"). We highly value your privacy and data security. This Privacy Policy explains how we collect, use, store, and protect your information.

1. Information Collection

Email Address

The only information we collect is your email address. When you register for our Google Chrome extension or newsletter, we collect your email address. We use this email address to communicate with you, such as sending updates, newsletters, or other information related to our app/website.

How We Use Your Information

We use your email address solely to communicate with you about our app/website and related information. We do not share, sell, or rent your email address to any third party.

Specifically, we may use your email address for the following purposes:

- Sending you important updates about our Chrome extension;
- Notifying you of new features or improvements;
- Providing customer support and responding to your inquiries;
- Occasionally sending newsletters containing tips and tricks for using our extension.

Data Retention

We will retain your email address for as long as your account is active or as needed to provide you with services. If you wish to delete your account or request that we no longer use your email address, you can contact us at miles704957@gmail.com.

Upon your request, we will:

- Delete your email address from our database;
- Unsubscribe you from all our mailing lists;
- Ensure your information is no longer used for any purpose.

2. Video Usage Disclaimer

This Extension is solely a technical tool to help users download video content from the Internet Archive website for local storage and viewing.

Please note:

- All downloaded videos are copyrighted by their original authors or the Internet Archive platform;
- Downloaded videos are for personal viewing, learning, and non-commercial use only;
- Videos must not be used for commercial purposes, redistribution, modification, re-uploading, or any other infringing activities;

- For commercial use, please contact the original author or copyright holder for authorization;
- Any copyright disputes or legal liabilities arising from improper use by the user are the sole responsibility of the user. The extension author assumes no responsibility.

3. Data Security

We take reasonable measures to protect the confidentiality and security of the information we collect, including the use of standard security protocols and technologies. However, we cannot guarantee the absolute security of your information.

Our security measures include:

- Encryption of data in transit and at rest;
- Regular security audits and assessments;
- Limiting employee access to personal information;
- Continuous monitoring for potential security threats.

4. Changes to This Policy

If we make any changes to this Privacy Policy, we will post the updated version on this page without prior notice. We recommend reviewing it periodically.
