

Happy Mother's Day

On behalf of the faculty and staff at North Kingstown High School, We want to wish a very Happy Mother's Day to all the mothers, stepmothers, grandmothers, guardians, caregivers, and maternal figures in our community.

In the busy rush of the school year, it's easy to overlook just how much of our students' success is built on the foundation of your love, patience, and tireless support. Whether you are cheering from the sidelines, helping with late-night projects, or providing the steady encouragement our teenagers need, please know that your impact is profound.

We hope you enjoy a wonderful day of relaxation and celebration with your loved ones. You certainly deserve it!

- Our students and staff have developed **core values** that we will be focusing on this upcoming year. We will be encouraging our students to practice these core values in every part of the building throughout the day. Our staff, faculty and adults will model these values to students through their own practice and live these values each and every day as they interact with students and other members of the school community.
