Dear Class of 2026 & 2027 Students and Parents/Guardians,

Starting **March 10, 2025**, CVHS counselors will visit NEST classrooms to help students select elective courses for the 2025-2026 school year. The visitation schedule will be shared with students and NEST teachers

If a student does not attend their regular NEST (due to Student Council, JROTC, etc.), they should attend on the day their counselor visits. If a student misses their session, **NEST make-up sessions will be held March 25-27**. Details will be announced so students know when and where to attend.

Attached to this email are important documents to help students prepare:

- [Four-Year Plan](#)
- [2025-2026 Course List](#)
- [2025-2026 Program of Studies](#)
- [Instructions for Entering Course Requests](#)

Because we have limited time during NEST, students should review these materials ahead of time and come prepared to make their selections.

Key Reminders

- **Transcripts** are available in Skyward > Portfolio. Students should review credits to complete their Four-Year Plan.
- **Credit Requirements:** Seniors must take at least **4 credits** if they meet all graduation requirements. All other students must take at least **6.5 credits**.
- **Elective Changes:** Students can adjust electives during the 2-week course selection window. No changes will be allowed after the window closes, so please choose carefully.
- **Teacher Recommendations:** Students will see teacher recommendations during the 2-week window. Concerns should be discussed directly with the teacher. If needed, students can submit a [recommendation appeal](#).
- All documents and additional resources are available on our [website](#) and in Skyward > HS Counseling Center Links.
- Please review [important dates](#) for key deadlines!

We look forward to working with you! Please contact your [student's counselor](#) with any questions.
