

SGA Mini Grant Application

Ola High SGA is using profits from the homecoming dance to help fund new opportunities for students through mini grants of up to \$500. Guidelines:

1. The funds must go toward new opportunities for students. For example, funds could be used for an existing club or organization to start a new project, or they could be used as seed money to start a new club or organization.
 2. The funds may not replace existing funds or go toward annual fundraisers. The intention of this program is to build new initiatives rather than to fund existing initiatives.
 3. Sponsors should e-mail this completed application to Rodney Sizemore. Applications will be accepted as long as funds are available. Applications will be reviewed monthly by the SGA Executive Committee.
-

Sponsor's Name:

Club or Organization:

In 200 words or less, please tell us what the grant will fund and explain how students will benefit.

What grade levels and how many students will benefit?

Amount requested? (up to \$500)

Please provide a breakdown that shows how you'll use the funds.

What is your planned timeline?
