Learning Bridge Charter School is an equal-opportunity Employer

September 17, 2025

Dear Parents or Guardians,

Pursuant to Nevada Law, schools obtaining ratings lower than three stars are required to provide notice of such to its stakeholders. Learning Bridge Charter Elementary School obtained a rating of one star for the 2024-2025 school year. We strive to provide the best education possible to our students. As such, we are working to improve this rating. You can find more details at <https://nevadareportcard.nv.gov/DI/>. Our middle school is rated 4-stars and continues to meet their academic goals each school year.

Parents also have the right to be notified of other school options in our local area. These include David E. Norman Elementary School and McGill Elementary School. You can also find more information regarding these schools at the above link as well.

We thank you for the support you give to Learning Bridge and the support you give to our students each day. We will continue working to improve our academic programs. We believe that focusing not only on academics but on behavior as well helps to make our school a place students want to attend. We will continue to work towards our academic goals as the year moves forward.

If you have any questions, please do not hesitate to contact us at (775) 293-8009.

Sincerely,

Amanda Campbell
Principal
