

ECE-Grade 6 News & Notes

10 September 2018

NEWS

Dear TCIS Community,

Teacher Professional Development

This past Friday, the teachers were hard at work learning more about Google technology, math talks, language acquisition resources, reading strategies and more. We had a great day and look forward to implementing some new ideas this week.

September Reading Challenge

The ES student council is hosting a reading challenge for the month of September. The class that records the most minutes of reading will win a pizza party and a magic show from Mr. Jeff. Find a good book and start reading today! A love of learning will last a lifetime.

Spelling Bee

This month students in grades 2-6 will have an opportunity to compete in our TCIS spelling bee and the top three winners from each grade will go to the finals at KPIS. For more details, please click [here](#) for the flier.

Communication & Student Safety

Have you moved or changed your phone number? We need to know. Please see the registrar this week to share up-to-date information. For times when you are unable to pick up your child, we need to know who you approve to pick them up for you. We will send a form home this week so you can let us know.

Have a great week!

Dr. Betsy
