

Meadowbrook Elementary School Arrival/Dismissal Options

Arrival

Bus – For those eligible, riding a WLCSD bus is the most convenient and safest transportation option. Those students that are eligible are expected to ride the bus. Buses arrive prior to the start of the school day and drop students directly in the front of the building. Students eating breakfast will be released from their bus upon arrival.

Drop Off – Children may be dropped off at the rear of the building by the doors near the kindergarten play area no earlier than 8:40 AM. Dropping off in the front of the building is not permitted before 9:00 AM. After that time, your student will be marked tardy, so we ask that you park your vehicle and walk your child across the bus loop using the crosswalk and complete the sign-in sheet in the office.

Students going to breakfast (8:40 AM-8:50 AM) may enter through the front doors.

Walkers – Students may walk to school. The Novi Police Department provides crossing guards at the intersection of Meadowbrook and 13 Mile Roads as well as at the crosswalk by the school on Meadowbrook Road. Walkers should arrive no earlier than 8:55 AM (8:40 AM for those eating breakfast).

Dismissal

Bus - Buses depart within seven minutes of the close of the school day from the front of the building.

Saddle Up – Eligible families may elect to utilize “Saddle Up”. Families new to Meadowbrook must pre-register by clicking [here](#). Saddle-Up signage will be distributed to *all* eligible families at our Meet & Greet. **Saddle Up pick-up is limited and will only be available for School of Choice students and walkers (students that live in the MBE attendance area that do not have an assigned bus) and not registered for daily Prime Time Care.**

Each family is assigned a sign to display in their vehicle. Students are picked up in the rear of the building. **Vehicles will line up along the southeast drive. While waiting in the pick-up line, please adhere to kind, considerate, and safe driving procedures. Vehicles pull forward as far as possible and children board on the driver's side only.**

In-Building Pick Up – Due to security measures, in-building pick up of students is not an option.

Walkers - Students in walking attendance areas may walk home from school. The Novi Police Department provides crossing guards at the intersection of Meadowbrook and 13 Mile Roads as well as at the crosswalk by the school on Meadowbrook Road. Parents

wishing to walk with their children may meet them on the northeast or southeast sidewalk across from the bike racks. We appreciate the assistance of all members of our Meadowbrook community to make arrival and dismissal times safe and efficient.
