RE: 2023-2024 School Year Meal Pricing

Greetings SCSD2 Parents/Guardians,

We hope you are enjoying your summer! For the first time in over 20 years, meal prices will increase due to the rising costs of food and supplies. Meal prices will continue to be reviewed on an annual basis to ensure reasonable and cost effective meal prices.

Meal Pricing for School Year 2023 - 2024

*Meals include 1 milk

Breakfast (K-5): Free	Lunch (K-5): \$3.00
Breakfast (6-8): \$1.75	Lunch (6-8): \$3.50
Breakfast (9-12): \$2.00	Lunch (9-12): \$3.75

Guest Meal: \$5.50

Extra Milk: \$0.50

Households can fill out an application for free and reduced pricing eligibility based on household income. Free and Reduced Lunch Applications for the upcoming school year will be released July 1, 2023. When the Wyoming Department of Education releases the new application form, it will be shared with parents online via the Parent Portal. Paper applications may be picked up at the Administration Office or your child's individual school.

If you qualify for meal benefits via programs such as SNAP or McKinney-Vento, you will automatically receive the benefit and do not need to complete an application. However, if you no longer qualify for those programs, you must complete a Free/Reduced Meal application in order to continue receiving meal benefits.

Free and Reduced Lunch Application Questions:
