

The Mavericks Hockey Club's mission is to develop hockey players in southern California towards their highest ambitions and also for life. We believe that sport has the ability to transform children, families, communities and the world and as coaches and administrators we are grateful for the opportunity to live our passion each and every day.

The Mavericks hockey club is made up of a team of dedicated and passionate professionals who devote their lives to youth hockey development.

The Mavericks Hockey Club parent company now owns and operates two Junior A hockey programs right here in California. The Ontario Jr. Reign USPHL and the San Diego Sabers USPHL teams represent the pinnacle of amateur hockey here in California and regularly churn out players advancing towards collegiate hockey year after year. We are proud to offer dedicated and ambitious young players a full pathway and intentional plan towards achieving their goals and dreams.

Club Programs Available

[AA Tier II \(12U, 14U\) Program](#) (Click Here for Season Plans)

This program is for players who are building on their foundation to compete towards the high performance track. A commitment to an elite practice environment and additional individual training while traveling state wide may be required at this level. Teams may include up to two teams at each of the 12U, and 14U levels.

[A, BB, & B Season Plans](#) (Click Here for Season Plans)

This program is the entry level to competitive club hockey and is the foundation for a player's growth towards their full potential. Players at this level make a commitment to practice in an elite level environment, put in extra work to grow their individual skills, and travel within the local southern california league for competitive games and tournaments. Multiple levels of location specific based teams are available at the 8U, 10U, 12U, and 14U.
