

4. ⚠️ JANUARY MONTH DUTIES/ ACTIVITIES

1.Using Pinup , a virtual board is prepared in which students explain the benefits of. vegetables and fruits.

<https://pinup.com/iezVWYgFA>

This Month's Topic:

1. The benefits of vegetables and fruits are explained to the students.
2. Students are informed about the sugar in the fruit.

NOTE: Our students can create posters,board, videos, presentations, etc. on these subjects. They can do all kinds of activities. Please consider the age groups and wishes of our students when creating activities!

NOTE: Artificial intelligence tools we can use to have classroom discussions with our students:

1. Chat D-ID: <https://chat.d-id.com/>
2. ELI5: <https://explainlikeimfive.io/>

COMMON PRODUCTS AND BRAINSTORMING ACTIVITIES

NOTE: Our students will share their thoughts about the benefits of fruits and vegetables on the board above. They can also share interesting things they know about fruits and vegetables.!!! While students are filling in, do not forget to take a screenshot and add it to the January palette and the disabled week padlet.
