Classes Students take at CHS

9th Grade

1. English
2. Math
3. World History
4. Earth Science
5. Physical Education
6. 3 elective credits

Most 9th grade students choose to take their art credit. English, Math, and Science have applied, college prep, and honors levels. World history has applied and college prep levels.

10th Grade

1. English
2. Math
3. Health
4. Biology
5. 4 elective credits

Many 10th grade students choose to take their art credit if they didn't the year prior. Sophomores are also able to take 4 periods of a St. Croix Regional Technical Center class. English, Math, and Biology have applied, college prep, and honors levels.

11th Grade

1. English
2. Math
3. US History
4. Career Prep
5. 4 Elective Credits

11th grade students are able to take 4 periods of a St. Croix Regional Technical Center class. English is offered in Advanced Placement, college prep, and applied levels. Advanced math classes like trigonometry and calculus are offered if students have taken the prerequisite classes.

12th Grade

1. English
2. US Government
3. 6 Elective Credits

12th Grade students are able to take 4 periods of a St. Croix Regional Technical Center class. English is offered in advanced placement, college prep, and applied levels. Seniors are able to earn a "senior leave" period where they either come into school late or are able to leave early.
