
Commonwealth of Greater Appalachia
Office of the Fraudulent Lt Governor
310 North Blount Street in Raleigh, 23219, Greater Appalachia

Lt Governor DIRECTIVE

TO: Governor Goog_Master
House of Delegates of the Commonwealth of Greater Appalachia

FROM: Fraudulent Lieutenant Governor of Greater Appalachia, /u/BranofRaisin

DATE: 07/28/22

SUBJECT: Approval of Birth Control Over the Counter

People should be able to purchase certain types of birth control over the counter

Whereas approving certain safe OTC birth control methods will make the state less obligated to pay for such medications

Section 1: Definitions

- (a) "Birth Control" - for the purposes of this directive, "birth control" is any medication or medical device used to prevent contraception and pregnancy in a woman
- (b) "Abortifacient"- is a medication that induces abortion

Section 2: Provisions

- (a) The Greater Appalachia Department of Health and Human Services shall be ordered to investigate, research and make decisions on the approval of various forms of birth control for (OTC) Over The Counter use.
 - (i) Any "Birth Control" method approved for OTC use by the Greater Appalachian Department of Health and Human Services shall additionally have uses as an abortifacient.

Section 3: Enactment

- (a) This shall take effect 60 days after enactment.
 - (b) If any section of this directive is ruled unconstitutional, the rest shall stand.
