

## Senior Class Party News

# LINCOLN HIGH SCHOOL

Did you know the 2022 LHS Senior Class consists of 457 students?!

Did you know every year the senior parents throw an end of the year party celebrating these amazing students?!

Did you know we need YOUR HELP?!

### What is the Senior Class Party?

The Senior Class Party is an alcohol free, after graduation celebration honoring the Class of 2022. The party is being planned for 5/29/2022 and will once again be held at Air Madness in Harrisburg. Graduates will arrive between 9:30 -10:00pm and will be safely secured within the venue until 5:00am.

Together as a class the new graduates celebrate one last time together via 135,000 square feet of entertainment, with food, prizes, and soooo much more (jump area, laser tag, gyms, turf, escape rooms etc)!

### How do I buy my Senior a ticket?

**Early bird rates for the 2022 Senior Class Party are \$50.** Ticket fees will be raised to \$60 after April 1. Money from ticket fees will go toward the venue cost, additional entertainment, and prizes. This year there will be several options to purchase a ticket:

1. PayPal— Visit [https://www.paypal.com/donate?hosted\\_button\\_id=EU2UTCBKYMFM5](https://www.paypal.com/donate?hosted_button_id=EU2UTCBKYMFM5) or by QR Code:

3. Cash— Deliver registration form and cash to Kristin Brown in Student Services

**Ticket scholarships available, please contact your guidance counselor for additional information.**

### Is a Registration Form required?

Yes. A registration form is required with all ticket purchases and will be used to manage attendance numbers. To register please complete the google form on the website: [lhsseniorpats.com](https://lhsseniorpats.com)

### How is the party funded?

The Senior Class Party is largely funded by profits made from concessions sold during volleyball, basketball, wrestling and gymnastics competitions, as well as other generous community and family donations.

As spectator participation was limited last year, concession revenue was down and not as strong as previous years. Therefore..... Typical carryover from one class to the next was limited and additional monetary support is needed to make this event happen in 2022!

Other funding is possible through fundraisers. If you are a restaurant owner or know of one that does fundraising nights/events please contact Molly Daniel at [mollyjdaniel@gmail.com](mailto:mollyjdaniel@gmail.com). **Also check out the yard sign fundraiser information in the newsletter** – these will be awesome for graduation time!

## Are volunteers needed to help with the party?

It takes MANY parents/guardians to put this event together; although due to the venue the volunteers needed for the actual event are limited. A sign up genius will be coming out in the near future for the areas we will be looking for help with the night of the party. Stay tuned!

Committee members: Melissa Nelson, Kathy Vasa, Becky Brost, JJ Gohl, Emily Geraets, Kris Enfield and Michelle Black

Committees include: Concessions, Registration, Community Service, Prom Grand March, Donations, Fundraising and Extra Food
