

Meet på olika apparater

iPad

 The screenshot shows a Zoom meeting interface on an iPad. The main video window displays a woman, Anna Karin Jern, in a room with a lamp. The status bar at the top shows the time as 11:17 on Thursday, April 1st, and the battery level at 89%. The bottom of the screen features a navigation bar with icons for ending the call, a gallery view, a mute/unmute toggle, and a settings menu. Egen skärm visas stor.	 This screenshot shows the same Zoom meeting, but the main video window now displays a close-up of an orange. This occurs because the user has tapped on the thumbnail of the orange in the bottom-left corner of the screen. The status bar at the top shows the time as 11:23 on Thursday, April 1st, and the battery level at 90%. The bottom navigation bar remains the same. En annan skärm visas stor när man trycker på den.
--	--

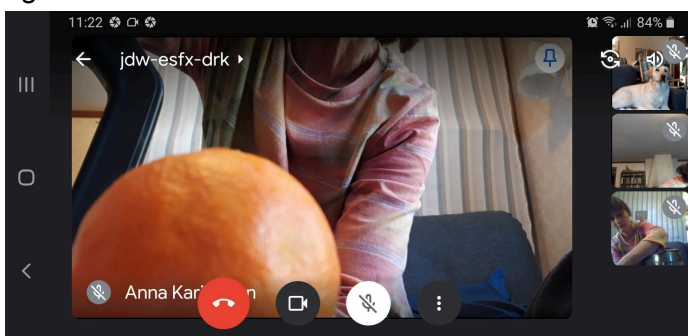

Android platta

Egen skärm visas stor.	En annan skärm visas stor när man trycker på den.
------------------------	---

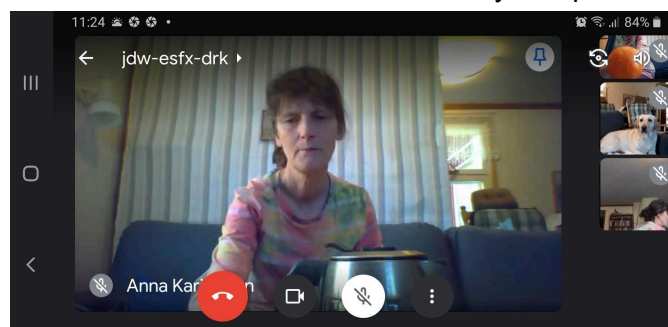

Android telefon

Egen skärm visas stor.

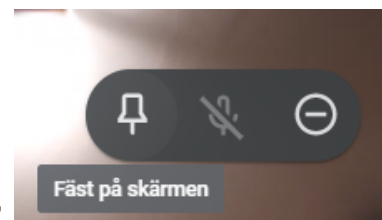

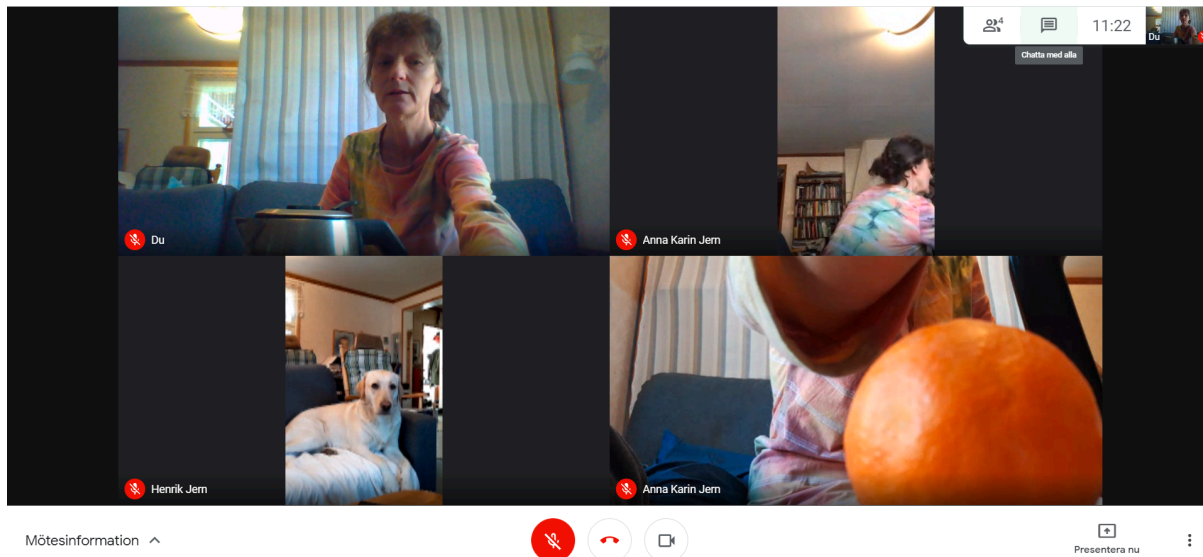

En annan skärm visas stor när man trycker på den.

Dator

Allas bilder visas lika stora.

En skärm visas stor när man för kursorn över den och klickar på “stiftet”.
