

# Cardboard Mom Team Seas Fundraising Letter Template

© 2021 Cardboard Mom

Thank you for downloading the Team Seas Fundraising Letter template! This template is perfect to email to family and friends whom you'd like to ask to support you in your mission to help clean garbage out of the ocean!

You may only print Cardboard Mom printables for your personal or classroom use. Posting Cardboard Mom files on websites or social media is prohibited. However, sharing the link to our webpage and files is not only permitted, but appreciated.

Dear [name of recipient],

I just love the ocean! *[insert reason why you love the ocean]* But I've realized the oceans are in trouble. Our oceans are filled with trash! This is a big problem because millions of ocean animals die every year from eating plastic or getting caught in it. It also affects us because lots of people depend on the oceans for food and jobs. *[if desired, insert a personal story that tells of a time you saw firsthand the problem caused by trash in the oceans or the realized how much garbage there was]*

I've tried to help by *[list a couple of things you've done to help such as donating money, cleaning up beaches, using reusable items rather than disposable]*, but it's not enough! YouTubers Mark Rober and Mr. Beast have launched Team Seas, a campaign to raise \$30 million by January 1, 2022 to help get trash out of the oceans. They have partnered with The Ocean Cleanup and Ocean Conservancy and for every \$1 donated, these two organizations will remove 1 pound of trash! I have donated *[insert amount]* of my own and will be participating in Cardboard Mom's Virtual Art Show to benefit Team Seas, but I need your help!

I would love if you could make a donation of \$1 – or however much you are able to donate – to help us save the oceans. Your donation will go directly toward cleaning garbage out of the ocean.

To make a donation, please visit [www.teamseas.org](http://www.teamseas.org). Please list "Cardboard Mom" as the team name so we can celebrate your generosity!

Together we can protect our oceans!

Thank you again!  
*[your child's name]*

P.S. Don't forget to tune into Cardboard Mom's Virtual Art Show to benefit Team Seas on Tuesday, December 21, 2021 at 6pm EST to see my artwork!
