

WYCLIFFE VALUES

- **We depend on God**

The work is his, to bring him glory. So we pray.

- **We make Jesus known**

We love him. We want everyone to know him.

- **We are Bible people**

We trust God's word and act on it. We want everyone to engage with it.

- **We honour the Church**

We put ourselves at the service of churches – both here and overseas – to help them fulfil their mandate.

- **We innovate**

We're not afraid to go first. We take risks and try new things. We work with urgency, for as long as it takes.

- **We serve sacrificially**

We're not afraid to go last. It's not about us. We equip others to reach their vision.
