Here's what you need:

5 Tbs. brownie mix, I use Betty Crocker supreme with the syrup pouch
1 tsp. white vinegar
3 - 4 tsp. water
2 tsp. chocolate syrup

Optional Toppings
whipped cream
mini chocolate chips
ice cream

Mix all ingredients in the microwaveable mug or another bowl then pour into the mug you are using to bake the brownie in.

Microwave for 50 - 60 seconds or until just done. I like mine light and fluffy so mine took only 50 seconds.

Cool a few minutes then top with your favorite toppings.

I like mine topped with whipped cream and mini chocolate chips.

Enjoy!
