NCAC Monday Federal Holiday Lesson Make-up Schedule

2025 - 2026

Monday Federal holidays are great days for you to enjoy time at home from work and for families to have time together. We acknowledge as many of these holidays as the schedule allows. Here is a list of federal holidays that will be recognized on Monday, along with the corresponding make-up days. Fortunately, this year, most holidays fall during our monthly Music Fest weeks (MMF weeks), so there isn't too much rescheduling. Yay!

Thank you!
