This is a work in progress last update December 17, 2023

Author Notes from Dec 16, 2023

- I/We are in the process of updating the Art World Corruption document as new information and additional research comes in. We hope this will make the Art World Corruption and Connection Documents easier to read, cross reference, and follow along as you the reader will see it is a very corrupt system that allows this exploitation of humans and the world wide government institutions that allow this.
- My goal for the reader:
  - is for you: to be able to cross reference how each individual is connected to the other individuals and
  - how they all are involved in the world wide human trafficking network through the Art World.
- It was my realization of the art world connections that I aptly named this research: Art World Corruption and Connections.
- In 2018; I was originally asked to share this information from the whistleblower to the public because of my social media presence, total disdain for corruption and those who are involved in using positions of power for personal gain. All the people mentioned in Art World Corruption: have one thing in common: the exploitation of other people.
- Pages 1-9 Are all from an insider and whistleblower plus the research I have done myself.
- In early December of 2023, I requested the assistance of fellow researcher Nina who has provided great research on pages 10 thru ____. In the 5 years prior to 2023; I have been following the information she has diligently sourced, researched, and quantified from her social media posts on Twitter, Telegram, and Facebook. She is both thorough and resourceful plus always quotes the information source. I feel the information Nina has provided also correlates with the research I have done and the information provided by the whistleblower.

containers on QAnon] The Ukrainian mafia is a supplier [Victor Pinchuk] is a businessman that serves as a contact.

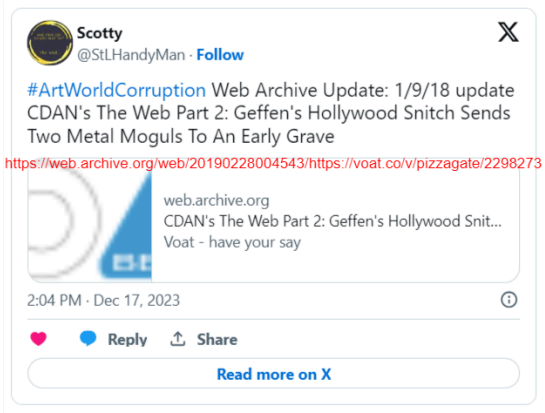

- Victor Pinchuk is a Ukrainian businessman and oligarch. As of January 2016, Forbes ranked him as 1250th on the list of wealthiest people in the world, with a fortune of US $1.44 billion.https://en.wikipedia.org/wiki/Victor_Pinchuk
  - “My Source said that Weinstein, Spielberg and Geffen all did business with him {Pinchuk}”
  - https://www.nytimes.com/2016/08/21/us/politics/hillary-clinton-presidential-campaign-charity.html Victor Pinchuk, a steel magnate whose father-in-law, Leonid Kuchma, was president of Ukraine from 1994 to 2005, has directed between $10 million and $25 million to the foundation. He has lent his private plane to the Clintons and traveled to Los Angeles in 2011 to attend Mr. Clinton’s star-studded 65th birthday celebration. Between September 2011 and November 2012, Douglas E. Schoen, a former political consultant for Mr. Clinton, arranged about a dozen meetings with State Department officials on behalf of or with Mr. Pinchuk to discuss the continuing political crisis in Ukraine, according to reports Mr. Schoen filed as a registered lobbyist.
  - “I had breakfast with Pinchuk. He will see you at the Brookings lunch,” Melanne Verveer, a Ukrainian-American then working for the State Department, wrote in a June 2012 email to Mrs. Clinton.
  - A previously undisclosed email obtained by Citizens United, the conservative advocacy group, through public records lawsuits shows the name of Mr. Pinchuk, described as one of Ukraine’s “most successful businessmen,” among those on an eight-page list of influential people invited to a dinner party at the Clintons’ home. Earlier in 2012, Ambassador John F. Tefft wrote to Mrs. Clinton about a visit to Ukraine by Chelsea Clinton and her husband, Marc Mezvinsky, “at the invitation of oligarch, Victor Pinchuk.” Mrs. Clinton replied, “As you know, hearing nice things about your children is as good as it gets.” In July 2013, the Commerce Department began investigating complaints that Ukraine — and by extension Mr. Pinchuk’s company, Interpipe — and eight other countries had illegally dumped a type of steel tube on the American market at artificially low prices. A representative for Mr. Pinchuk said the investigation had nothing to do with the State Department, had started after Mrs. Clinton’s tenure and been suspended in July 2014. He added that at least 100 other people had attended the dinner party at Mrs. Clinton’s house and that she and Mr. Pinchuk had spoken briefly about democracy in Ukraine. A deal involving the sale of American uranium holdings to a Russian state-owned enterprise was another example of the foundation intersecting with Mrs. Clinton’s official role in the Obama administration. Her State Department was among the agencies that signed off on the deal, which involved major Clinton charitable backers from Canada. There was no evidence that Mrs. Clinton had exerted influence over the deal, but the timing of the transaction and the donations raised questions about whether the donors had received favorable handling.

"When we last saw **Chris Cornell (PJ) and Chester Bennington (RJ)** they were recording interviews with abused teens. The question was how did the information get back to the A+ lister. Did one of them send him a copy? That was always considered a maybe. They could have done it for protection. Hey look at what we have so don't come after us. Did the wife of PJ show one to the A+ lister? Again, certainly possible. At that point she was fully indebted to the A+ lister and had made her bed. She was full in on the money, fame and protection from bad things from her past that the A+ lister could assist her with. The problem with that theory is that you have to be fully on board with PJ trusting his wife. At that point he already wanted to divorce her. No one I have spoken with thinks that PJ knew about what was going on with the A+ lister, but he still had no reason to trust her."

From everything I have seen or heard, it looks like someone he considered a friend, betrayed him. The friend, an A/A- list mostly movie actor attended the funeral of PJ. He probably fake grieved or maybe even had real grief knowing he helped along the death. Let us call this actor SB. Never one to be discreet about sex or who has sex with or concerned about age, our actor has got into trouble for his behavior in the past. At a party he attended at PJ's house about a year before all of this went down, he was cornered by PJ's wife about getting her a part in a movie or anything he could help her with. At that same time, she introduced him to a friend of hers. The friend is a very very high priced escort who mainly operates out of the country. She was in the US trying to also get some acting work and called her old friend. Well, this high priced escort works in a country where anything goes so nothing SB talked about or said shocked her. The two started hanging out quite frequently. During that time, they ran into our A+ lister while out to dinner. He stopped by the table of SB and told him he had fresh meat and should stop by. They did so and apparently SB engaged in sexual activity with some of these teen boys. I don't know if the teens he hooked up with were legal or not.

Fast forward a little bit. This is where things take an even stranger turn. Apparently the escort was not only hooking up with SB, but also PJ himself. PJ's wife had no idea. I sill don't think she has any idea, although the relationship between the two has grown more frosty as of late. I don't think SB knew, but probably wouldn't have cared. I don't think PJ knew about SB and the escort either because PJ was gone so frequently.

Apparently one of those teens being interviewed mentioned SB or enough of a description of him that the escort knew who the teen was referring to. Whether she saw the video or heard about it from PJ, I don't know. The next thing you know, the escort is telling SB what she knew and SB was telling the A+ lister. Fate sealed. Almost immediately after that, the escort suddenly decides that she needs to leave the country again, where she has remained since."

So, Enty in this blind is implicating a big Hollywood star as to being Geffen's inside snitch as to Cornell and Bennington's staged suicides, and was even at the funeral pretending to grieve, you can't make this stuff up, and is richer than most Hollywood screenplays.

So who done it? Who's the Hollywood snitch that put two honest, influential rockers to the grave because he wanted to cover his ass and a bunch of boy buggering pedophiles?

Of course, those illustrious regular guest commentators on CDAN's blinds have already cast their ballots, and they seemed to have narrowed it down to the two best candidates:

James Franco and **Josh Brolin**

These are some pretty heavy accusations here, let's review them:

Geffen ran into (Brolin/Franco) while out to dinner one night with a friend of Cornell's wife who is an international prostitute. He stopped by the table of (Brolin/Franco;SB) and **told him he had fresh meat and should stop by**. They did so and apparently SB **engaged in sexual activity with some of these teen boys**. I don't know if the teens he hooked up with were legal or not.

Fast forward a little bit. This is where things take an even stranger turn. Apparently the escort was not only hooking up with SB, but also PJ himself. PJ's wife had no idea. I sill don't think she has any idea, although the relationship between the two has grown more frosty as of late. I don't think SB knew, but probably wouldn't have cared. I don't think PJ knew about SB and the escort either because PJ was gone so frequently.

Apparently one of those teens being interviewed mentioned (Brolin/Franco;SB) or enough of a description of him that the escort knew who the teen was referring to. Whether she saw the video or heard about it from PJ, I don't know. The next thing you know, the escort is telling (Brolin/Franco;SB) what she knew and (Brolin/Franco;SB) was telling Geffen. Fate sealed. Almost immediately after that, the escort suddenly decides that she needs to leave the country again, where she has remained since.

Now, this definitely sounds like Franco:

"Let us call this actor SB. Never one to be discreet about sex or who has sex with or concerned about age, our actor has got into trouble for his behavior in the past."

But, somehow, Franco doesn't quite seem to fit, **what if it was someone the Pizzagate community was introduced to that has transient ties to the entire Pizzagate saga?** (mods please pay attention here for this establishes relevancy to pizzagate, feels pretty silly having to mansplain relevancy when it's right in front of your face but like a high school marm and babies they like it clearly spelled out for them so OK).

Josh Brolin - The Goonie, and his **creepy ties to Steve Antin, his sister Robin**, and therefore **David Geffen**.

PAUL McCARTNEY

Victor Pinchuk, Ukrainian businessman and philanthropist and founder of the Victor Pinchuk Foundation said: One could not imagine this 30 years ago. Nobody could even dare to hope for this 20 years ago. One could only dream about it 10 years ago. 5 years ago we could only envy our neighbours for whom this became a reality. And finally the day has come. For the first time we have the opportunity to hear the songs that changed the world and created a new culture. The songs that we grew up with and became who we are. These songs tell us about very simple but nevertheless important things: real love can't be bought and that real friendship can't be sold. There is much more to what unites people than what divides them, and in reality it's not an impossible task to become a better person and to make the world a better place, especially if you do it all together. Recently, we had not so many reasons to unite. Not to group under some political flags but to really gather all together.

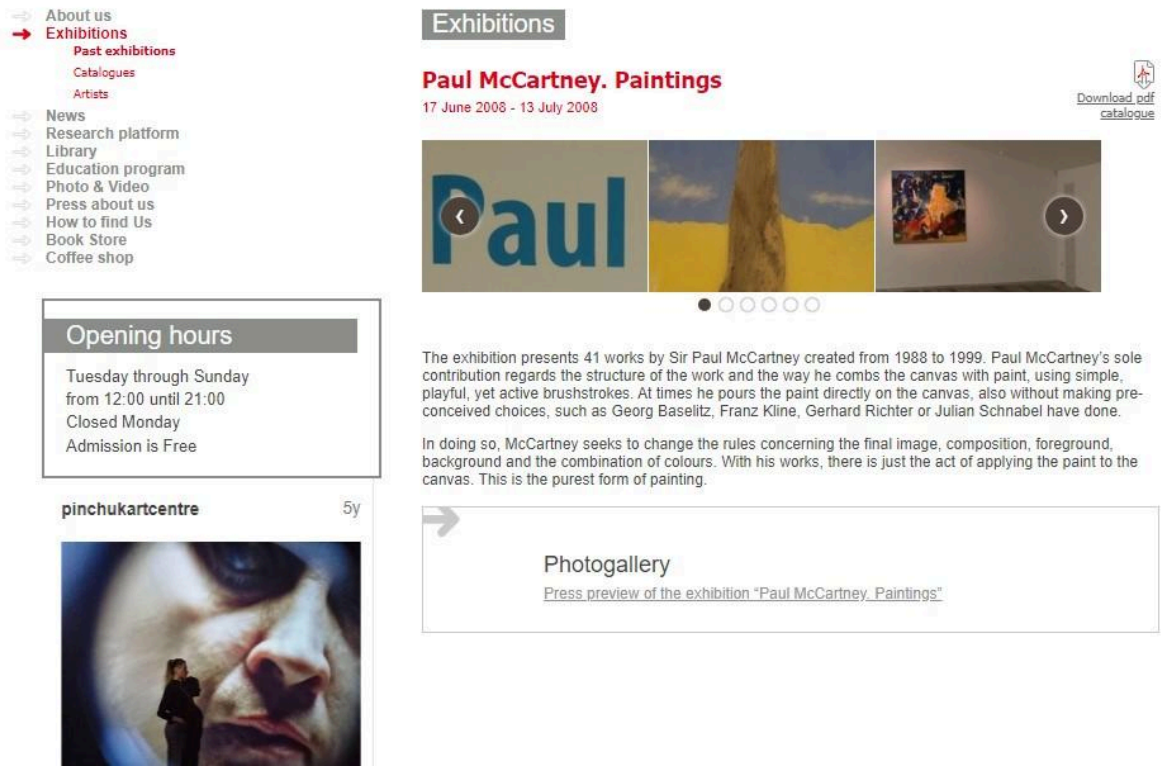

There are not so many ways to bring together the East and the West, to make the young and the mature closer, to combine different convictions and aspirations into one common national idea of building a free, tolerant and prosperous country. And I believe that this initiative and the concert can help us" In addition to the concert the Victor Pinchuk Foundation will also be exhibiting 40 of Paul's paintings at the Pinchuk Art Centre, the largest in Eastern Europe. This will be Paul's first exhibition in this part of the world. His first art exhibition was in Siegen, Germany in 1999. Paul will personally open the exhibition.

About

On February 24, 2022, Russian President Vladimir Putin announced a "special military operation" in Ukraine during a televised broadcast, marking the start of a full-scale invasion of Ukraine.

On this day, February 28, 2022, Paul McCartney sent a brief support message to Ukraine on social networks.

During his US "Got Back" tour (from April 28 to June 16, 2022), immediately preceding the encore at each stop on the tour, Paul and his band members left the stage and each returned with a flag, Paul holding the flag of Ukraine.

On July 3, 2022, NBC TV broadcast the programme "*Ukraine: Answering The Call*", to raise awareness about and funds for Ukraine. The programme showed Paul McCartney and his band performing John Lennon's song "Give Peace A Chance" during their 2008 concert in Kyiv.

On June 4, 2022, during a soundcheck at Syracuse, Paul was seen playing a Gibson Les Paul electric guitar, painted with the Blue and Gold colors of the Ukrainian flag. This guitar, autographed by Paul, was auctioned by Gibson between November 11 and 13, 2022, and raised $76,800 to help Ukraine.

From Paul McCartney on Facebook – February 28, 2022 – Remembering playing for our friends in Ukraine in Independence Square in 2008 and thinking of them in these difficult times. We send our love and support. #StandwithUkraine

From the Kyiv Post:

In 2013, Ukrainian billionaire Victor Pinchuk welcomed current U.S. Democratic Party presidential nominee Hillary Clinton onto the stage at his Yalta European Strategy, an annual conference he funds to promote Ukraine's European integration and strategy, calling her: "a real megastar."

Clinton and her husband Bill, the 42nd U.S. president, have been paid speakers at the annual YES and other Pinchuk events. They describe themselves as friends of Pinchuk, who is known internationally as a businessman and philanthropist.

To date, Pinchuk's charitable foundation has given $125 million to various causes, according to his spokespeople.

Although exact numbers are not clear, reports filed by the Clinton Foundation indicate that as much as **$25 million** of Pinchuk's "charitable donations" went to the Clinton organization.

Pinchuk became particularly friendly with Bill Clinton. In 2010, he invited the former president to his 50th birthday party in the French ski resort of Courchevel. In return, Pinchuk attended Clinton's 65th in 2011, and was a guest at the inauguration of Clinton's Presidential Library.
