- We had a great run at Solo-Ensemble Contest in early March - kids performed wonderfully, and we had two "best of the day" awards. Special thanks for all of the parents and students who helped us host the event, especially Susan Hara, who ran concessions!
- Unit Choir at West was very successful, and we were able to have our extra-curricular choirs perform for the junior high kids beforehand. I conducted the JH boys choir and they were fantastic!
- Our musical, Mamma Mia!, was a big success and a ton of fun! Thanks to all who attended.
- The Chamber Choir held a phenomenal concert performance at IWU Evelyn Chapel on Thursday night, April 24.
- The A Cappella Ensembles (Key of She and Voice Male) toured around the district at our feeder elementaries, as well as Parkside Junior High on Friday, April 25. It was a great day and the kids were awesome audiences!
- Our Spring Concert is on Thursday, May 8 at 7:00 pm.

Thanks so much for all your support!

OLD BUSINESS:

● Audit

- Communication with Illinois State University accounting program are ongoing but still waiting for a reply
 - The ask has been that ISU consider taking on the task of the annual audit for our program to help ISU students with practice, help our program as part of the community, and potentially reduce the large audit fee incurred each year

NEW BUSINESS:

TREASURER REPORTS:

- Our accounting information is now up to date, and we are successfully filed with the state of Illinois
 - We did incur a late fee
- We signed with a new firm, Stregal Knobloch & Company in March 2025
- U5MP Revenue Year-To-Date is looking good and should come in under the \$300,000 threshold
 - Andrew is going to take a second look at this to confirm, as it feels this should be higher due to the large trip NMB took to London this year
 - Fiscal year ends May 31, 2025
- Andrew is going to test having a few directors be responsible for making their own deposits into the U5MP bank account with First State Bank
 - Deposit slips are imaged with the bank, director will just need to ensure their program is notated on the deposit slip
 - Will test with all 3 Chiddix Programs (CJHS Band, Choir & Orchestra) as well as NCHS Choir

Board Positions

- There is immediate need for President position to be filled for the 2025-2026 school year
 - Both Jared and Josh will be stepping down
 - Josh has agreed to complete the website redesign
 - Tricia will send communication to all director's to ask for them to distribute a standard letter to all families soliciting for consideration of a board position

Unit 5 Music Parents Meeting Minutes – April 27, 2025

Normal Community High School – IMC

- If there is enough interest, there is a desire to have a Vice-President who can work with other interested parties for Social Media, as well as forming a committee for Music Extravaganza
- There is an outstanding offer for the position of secretary on the board, though this seems to continue to show no interest 😊
 - Angela DeJaynes will continue to fill if there is no other interest, but on a serious note, next year a replacement will need to be named to “shadow” during the 2026-2027 school year as all of Angela’s musicians and children will graduate out of Unit 5
- Nominations and voting for the 2025-2026 Board position will need to take place at the May 2025 meeting
 - It is imperative to have representatives from the majority of the groups in order to hold the vote – need 10 directors/parent reps

Music Extravaganza

- Continued talks on what the future of this fundraiser looks like for the organization
 - Cindy Peasley has offered to help lead coordination of pie
 - There have been some conversations on what this might look like, including pre-sales of full pies, at the door sales of slices, tickets to guarantee the flavor of pie you will get
 - There has also been some conversation on the need to potentially bring a meal back. Ben will get more details to share
 - Feedback from one director included the need for more warm-up space. Time got off track at one of the events, leaving one group without an adequate place to warm up, which is confusing and overwhelming to junior high students.

Instrument Exploration

- Will be hosted at Normal West High School on Monday, May 19 and Tuesday, May 20.
- Currently have 426 students registered
- Unit 5 Music Parents will provide dinner to the staff and volunteers for both evenings
 - Angels is coordinating Avanti’s for Monday and Jason’s Deli for Tuesday
- Everything else seems to be set and ready to go for another successful year!

Andrew Walter motioned to adjourn the meeting; Tricia Ogdon seconded. Meeting adjourned @ 8:15PM.

The next meeting will be held Tuesday, May 27 at 7:00 PM in the NCHS IMC.
