

Webb meeting, 2025-02-28

Questions & Answers etc.

7 participants

Hotel during the Hackathon

The project does not recommend any particular hotel.

During the meeting Memory hotel i Kista was mentioned as a hotel near where the hackathon will be held.

Some people will stay at Strawberry Arena hotel i Solna.

Tietoevry plattform

Below instructions about access to Tietoevrys platform for the Hackathon.

IMPORTANT: Each group that will use Tietoevrys platform in the Hackathon should send mail as below to Tietoevry at the latest next week - the first week i Mars - week 10.

Lifecare Open Platform – Next Steps

- Tietoevry will provide the account details with instructions (In week 10)
 - Lifecare Open Platform – User Guide for Nordic Hackathon
 - User accounts to the Tietoevry Open Platform Sandbox
 - Notes:
 - Please request user accounts latest during the week 10
 - **Do not use the environment before the training**
- Studio Training and Q&A for the Tietoevry Platform Use Case groups
 - Tuesday 11th of March 2025 15.00 – 16.30 Swedish time
 - Targets:
 - Ensure that user accounts are working correctly, and you have the access to the environment
 - Studio training (How to build forms & Widgets)
 - Q&A
- Preparation for use case building in Hackathon can be started to the Lifecare Open Platform Sandbox after the training.
- Tietoevry will provide support before the hackathon in Friday 14th of March as a separate session 14-15.00 Swedish time.
- Tietoevry will provide local support during Hackathon.

How to get access to Lifecare Open Platform environment and tools?

Principles in Hackathon

- Tietoevry will provide one generic user account per use case team for form and widgets building
- Tietoevry will provide one generic Clinical user account per use case team
- Tietoevry is responsible for admin configuration for Care desktop

1. To request the user account please send email to:

anette.a.larsson@tietoevry.com

aman.jha@tietoevry.com

anette.a.larsson@tietoevry.com

aman.jha@tietoevry.com

Teams and User Stories

Information about Teams and User Stories is posted on the project web under tab Companies.
