Subject: Environmental Journalists Workshop on the use of Fossil Fuels and Challenges to the Environment

Dear Sir,

The Knowledge Forum (TKF) is a citizens sector civil society organization, that holds research, training, engagements, dialogues, seminars, conferences, and multi-stakeholders' consultations (events) on citizens' rights.

We plan to hold a one-day informational workshop with KPC member journalists covering the beats of the environment, energy, especially coal and gas as fossil fuels etc. on 15<sup>th</sup> June 2022 in collaboration with Karachi Press Club at the Club's premises.

We plan to invite 15 to 20 working journalists of print, electronic and social media of the above-mentioned beats. Whereas experts in environment and energy fields would be the resource persons. A detail programme schedule will be shared with you along with the participants' list later.

We request you to provide the collaboration as well the space for holding this workshop, preferably Ibrahim Jalees Hall (TV room). The one-day workshop would start at 11 am and end at 5.00 pm. The Knowledge Forum would arrange lunch and teas for the workshop's participants.

Best regards,

**Shujauddin Qureshi**
