

Matt Jones '02 is currently Production Manager at Carlson Baker Arts, a fine art fabrication company in Los Angeles. From 2010-2020, he started and operated Molten Metal Works, a community metal shop that taught over 4,500 people to weld. Former jobs include building sets for Disneyland, building exhibits for childrens' science museums, and working for ten years at becoming a professional artist (it hasn't worked...yet). Dartmouth 2002, Stanford MFA 2008.
