

Alliance Public School District

Every student should have meaningful access to the educational resources they need at the right time, at the right level, and with the right intensity. Making this happen requires everybody, including parents and teachers, to know what their schools need to do to improve. To help, NDE created the Accountability for a Quality Education System, Today and Tomorrow (AQuESTT), a system of support and classification of schools and districts.

AQuESTT

Mission Statement

We will develop in all students the individual skills, the desire for knowledge, and the personal commitment essential for a successful future.

Purpose/Vision—Success for All Students

Alliance is a city and the county seat of Box Butte County in the western part of the state of Nebraska, in the great plains region of the United States. Alliance is a rural community with a population of seven thousand nine hundred and seventy-one at the 2021 census. The population has declined since the 2000 census. The leading employers in Alliance are BNSF Railroad, Box Butte General Hospital, Alliance Public Schools, and Parker. The average household income in Alliance is \$62,679, with a poverty rate of 13.34%.

Five schools plus two parochial schools make up our educational system in Alliance, NE. Alliance Public Schools has an early childhood program that serves birth-5 years and houses a four-day-a-week preschool. This program serves approximately 46 birth to 5-year-olds. The Special Education department serves students birth-21 years of age, with one administrator. Students in kindergarten through second grade attend Emerson Elementary School. There are 308 students attending Emerson, with one administrator. Grandview Elementary serves 288 third through fifth-grade students, with one administrator. We have one Middle School serving 295 students in our sixth through eighth grades students, with 1.5 administrators. A high school where there is 440 ninth-grade through graduation, with three administrators. Our district also has an alternative school, as a part of our high school, for those students needing a different approach to learning with a half-time administrator. All of our schools are accredited by the State of Nebraska. The two elementary schools, the middle and high school, and the district/system are Nebraska Continuous Improvement accredited.

We have a 23% special education population and additional students needing support from tier 2 and tier 3. Due to this data, the entire district is moving towards NeMTSS and PBIS. The district also purchased Branching Minds to improve the Student Assistance Teams (SAT) with academics, tracking behaviors, and improving Social Emotional Learning.

Staff

Certified

During the 22-23 school year, Alliance Public Schools employed ten administrators, one hundred ten certified teachers, and six specialists. During the 21-22 school year, Alliance Public Schools employed ten administrators, ninety-two certified teachers, one Instructional Coach for K-5, and one District Program Consultant.

Non-Certified

The Alliance Public Schools employed ten administrative assistants, 62 paraprofessionals, 16 maintenance/custodians, and five transportation staff.

Goal Statements

School Improvement Goal #1

All students at Alliance Public Schools will show academic growth in reading and math during the 2018-2023 CIP cycle as measured by NSCAS Growth, DIBELS, Acadience, and ACT.

School Improvement Goal #2

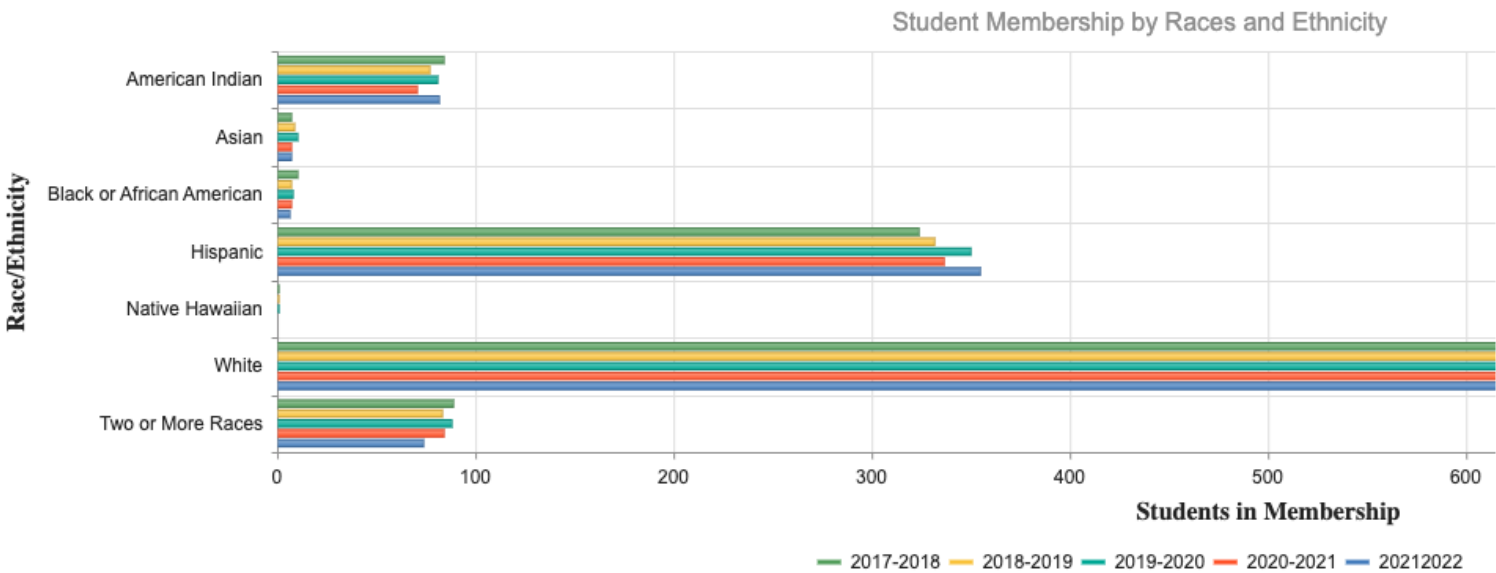

All staff at Alliance Public Schools will be trained in the Danielson Framework For Teaching (FFT) Instructional Model beginning in the 2018-2019 School year, as evidenced by attending 100% of the training. This instructional model will be implemented throughout the district and a part of our evaluation model.

School Improvement Goal #3

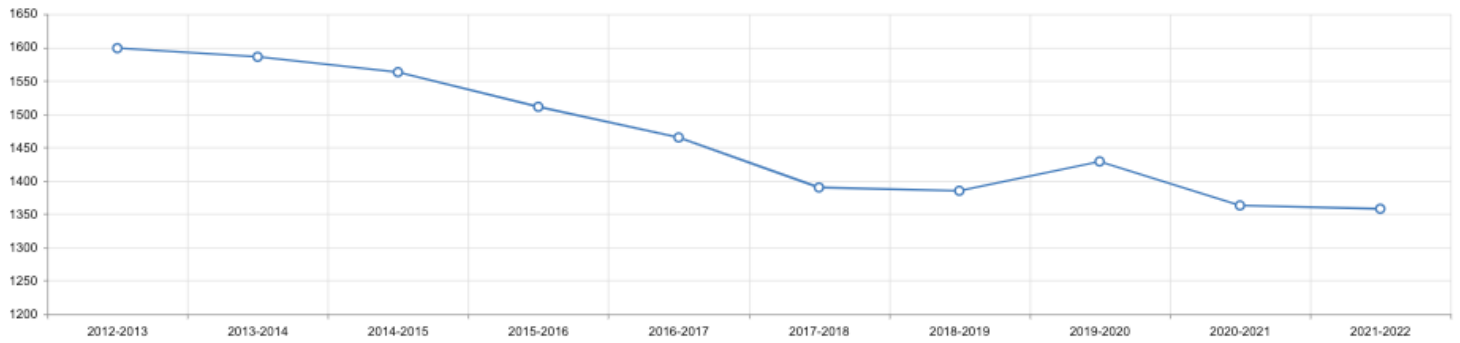

All staff at Alliance Public Schools will develop & maintain positive collaborative relationships among all stakeholders to strengthen communication & positive attitudes (climate/culture) as measured by survey results, parent-teacher conferences, staff/student attendance, & retention of staff.
