

English speaking by Daily conversation Sentence

Privacy policy Protecting your privacy is important to us. We hope the following statement will help you understand how **English speaking by Daily conversation Sentence** deals with the personal identifiable information ('PII') you may occasionally provide to us via Internet (the 'Google Play' Platform).

Generally, we do not collect any personal information from you when you download our Android applications. To be specific, we do not require the consumers to get registered before downloading the application, nor do we keep track of the consumers' visits of our application, we even don't have a Server to store such personal information. **English speaking by Daily conversation Sentence** uses admob or others as ads provider.

Admob/Advertisers wants to show ads that are relevant to you. For more information, please check <https://support.google.com/admob/answer/6128543?hl=en>.

The only situation we may get access to your PII is when you personally decide to email us your feedback or to provide us with a bug report.

The Personal information we may get from you in that situation are strictly limited to your name, email address and your survey response only. In above situation, we guarantee that your personal information will only be used for contacting you and improving our services. We will never use such information (e.g. your name and email address) for any other purposes, such as to further market our products, or to disclose your personal information to a third party for commercial gains.

It should be noted that whether or not to send us your feedback or bug report is a completely voluntary initiative upon your own decision. If you have concern about your personal information being misused, or if you want further information about our privacy policy and what it means, please feel free to email us at adityaj2612@gmail.com

we will endeavor to provide clear answers to your questions in a timely manner.

We send notification, whenever app is updated with new content, that you can disable from your phone settings.
