

# Find murV - PRIVACY POLICY

## About us:

At esoteryk LLC, some of our applications are meant for adults, while others are intended for the whole family. This application in particular is suitable for the entire family, including young children with parent supervision. We take privacy seriously at esoteryk and this policy is designed to clarify any and all data and user privacy matters.

This policy was last updated on November 4, 2018. Esoteryk LLC may change or update the Privacy Policy at any time as we add new or different features, or as the law changes. Unless another date is given, the changes are effective upon posting. Thus, you should review the Privacy Policy frequently. This Privacy Policy is also part of the Terms of Service that explain your rights and responsibilities when using the "Find murV" application. If you don't agree with this Privacy Policy or the Terms of Service, you should not use the sites and services. If you have any questions please contact us at [zakhuber+esoteryk@gmail.com](mailto:zakhuber+esoteryk@gmail.com).

## Is any data or personal information collected?

No. Esoteryk does not collect or stores any user information at all for the "Find murV" application. No database is in use, nor is user tracking. We feel strongly that there is no reason or need for us to request data about your family. As such, we have made a concerted effort to keep the game simple and free of any sort of data monetization.

## Tracking

Esoteryk also does not track user interactions, or any other analytics information. This application does not even have any basic analytics tracking or any sort of marketing suites of any kind.

## Links

This application does not contain any links out or any ability to purchase anything, either inside or outside of the application. If you are forwarded any third party links from other people, or any potential offers to purchase items for this game please approach with suspicion as we do not allow any purchases of any kind for this app.

## Data Retention

As mentioned previously in this document, no data is collected whatsoever. No database or ongoing data storage of any kind is in place for this application.
