

COVID 19: Why Your Life Will Never Be Normal Again

The Economist: <https://youtu.be/pFaGbtDJFwA>

Pre-Viewing Food For Thought:

Describe 3 areas where the COVID 19 Pandemic has impacted or changed your way of life, work, or our society.

What Has Changed	Description Of The Change

Viewing Questions:

- In the past, the crises have revolutionized societies, kick starting _____ & _____.
- What are two innovations that arose from the Black Death (Bubonic Plague)?
 - ☐ _____
 - ☐ _____
- What are ____ similarities between the COVID 19 Pandemic and the Flu Pandemic of 1918:
 - ☐ _____
 - ☐ _____
- The flu pandemic of 1918 killed more people than the _____.
- What was the impact of the 1918 Flu Pandemic for women?

Normality Index (3:15)

6. What does the 'Normality Index' measure?

7. What are the 3 categories of indicators used in the Normality Index?

- ☐ _____
- ☐ _____
- ☐ _____

8. According to the Normality Index, there was a decrease in activity as a result of the _____, and an increase in activity as a result of other _____ program.

9. What does the author mean when she says that we are entering a 'Hybrid World'?

10. What was the big, lasting change that the authors note for Italy?

11. Provide an example of the 'Old Trends' that are returning in Britain as a result of the pandemic:

12. What needs to be in place before we can know what the post-pandemic world will look like?

Critical Thinking:

We seem to be in a 'return to normal' phase of the COVID 19 Pandemic. Reflect on your observations around how the world has changed as well as what has what aspects of the world remained the same as a result of the COVID 19 Pandemic.

Ways that life seems to have <u>returned to normal</u>	Ways that life is <u>different</u> as a result of COVID 19
Positive changes as a result of COVID 19	Negative Changes as a Result of COVID 19

Introductory Writing Assignment - Social 10-2

The response to the COVID 19 Pandemic has significantly impacted different aspects of life here in Alberta. Identify at least one change that you would like to see continue as it has had a positive impact on Albertans, and identify at least one change that you would like to see discontinued as it has had a negative impact on Albertans. **In total, you must address three specific changes.**

Response expectations:

- Paragraph format
- Clear explanation of the positive and negative changes
- The explanation includes specific evidence, facts and observations that support your opinions.

Planning:

Topic Sentence(s) - clearly explain and define the issue at hand. Consider: Who does it affect? Why is it an important issue? Why are there many viewpoints on the issue? What are the viewpoints?

What is **ONE specific change** that has occurred?

Clearly state and explain your stance on the issue. (Your argument)

Provide evidence to support your position.

Provide a **SECOND specific change** that has occurred

Clearly state and explain your stance on the issue. (Your argument)

Provide evidence to support your position.

Provide a **THIRD specific change** that has occurred

Clearly state and explain your stance on the issue. (Your argument)

Provide evidence to support your position.

Concluding sentence(s) - restate your position and the overall importance of the issue
