Gabriella: Dedicated Mother

User Profile

Gabriella is a 34 year old woman living in Cicero, Illinois. She was born in Indiana and moved to Illinois after meeting her husband Michael in the military. Gabriella now works for a real estate agency and spends much of the rest of her time taking care of her daughter who is in 3rd grade at the local elementary school. She and Michael have early mornings getting to school and then work, and on the weekends they are busy running errands. Gabriella enjoys attending her daughter's soccer games, being involved in community groups in her neighborhood, and attending dance classes. While in the military she would work out more often but in the last few years she's had less and less time. She also wishes she had more time to see her family back in Indiana and worries that her daughter does not get to see her grandparents enough.

Point of View Statement

Gabriella has a jam-packed life in Illinois. She wishes she had a little more time for herself and wants her daughter to be connected to family back in Indiana.
