Information for Students Returning for Face-to-Face Instruction

Wednesday, February 10th is an Important Day

It is very important that your student is in school on Wednesday, February 10. We have special attendance reports that need to be completed on this day. If your child is absent due to illness or an appointment on that day, it would be very helpful if a note from the doctor could be sent to the school so the absence can be documented. Thank you in advance for help.

Weekend Meals for Face-to-Face Students

We are committed to offering healthy meals to all students during these unpredictable times for the remainder of the school year. We will be offering breakfast and lunch for Saturday and Sunday to face-to-face students. These meals will be sent home with your child at the end of day on Friday (If it is a Virtual Friday, these meals will be sent home on Thursday instead). Please sign up for this service, as we want to ensure that we have enough meals available. <https://forms.gle/G7gAuVWymDvXgX7SA>

Homework Club

We will be offering a Homework Club for our in-person students. Students can stay after school until 3:45 p.m. to work on any homework/late school work they might have. Rides should arrive promptly at 3:45 p.m. for pick-up. One of our paraprofessionals will supervise the club. If interested, please sign-up using the following link: [Homework Club Sign-up](#). An after-school snack will be provided. Students **must** be signed up for the club ahead of time and should participate on the same day(s) each week.

Changing Your Child's Learning Mode

Due to the complexity of moving students from online instruction to in-person instruction, we are asking that any parent who is wishing to change their child's learning mode would do so on the first Monday of the month. Therefore, virtual learners could switch and become face-to-face learners on **March 1**, April 5, or May 3. If you have extenuating circumstances which might impact these dates being possible for your family, please contact the office to speak with the principal, Mrs. Ingrid Dettman.

Curbside Meal Pickup - February

The first curbside meal pickup for February is scheduled for **Wednesday, February 10**. Please click on the link regarding our schedule for Curbside Meal Pick-up: [February Curbside Schedule](#) Everyone (children 18 years of age and younger) qualifies for these free meals, and we hope you will consider taking advantage of this opportunity. Picking up meals from the school can allow you to spend less at the grocery store and spend less time preparing meals at home. **If you are interested in picking up meals, please use this link to sign-up:** [Sign-up for Free Meals During Virtual Learning!](#)

Two-Way Communication

During virtual learning, students will be required to complete the work assigned and be in contact with their teacher(s). Communication can be through a phone call, responding to an email sent by the teacher, participating in a Google Meet/Zoom with the teacher, or by turning in assignments. This is how attendance will be taken. If a student is not participating during the week, they will be marked absent (VNP - Virtual Not Participating).
