## Summer CGOW Community Activities Roadmap

(July – September 2025) Last updated: July 2025

### Getting Involved

As usual, let the community association know about events or activities at [mail+tips@cgow.ca](mailto:mail+tips@cgow.ca) so we can put it on the calendar. Check out the [CA Starter Kit](#) for all the ways you can get involved.

You can also join the [Community Forum](#) (on the community platform called Discord), where we organize events and have discussions about local issues and activities.

### Community Events

The Community Association runs or helps plan events that occur on a regular or annual schedule.

*\*Events marked with an asterisk take place in the community, but are not run by Community Association:*
