

Privacy Policy

We, sessions, are committed to protecting the privacy of our app users. This Privacy Policy outlines how we collect, use, store, and share personal information collected from our users.

1. Information we collect

We collect the following personal information from our app users:

- Usernames
- Passwords
- Email addresses

2. How we collect information

We collect this information through a third-party service called Firebase, which is used for user authentication and improved security.

3. Why we collect information

We collect this information to enable user authentication and improve the security of our app.

4. How we store and protect information

The personal information we collect is stored on Firebase's servers, which are protected with industry-standard security measures. We take reasonable steps to protect the personal information of our users from unauthorized access, use, or disclosure.

5. Sharing of information

We do not share the personal information of our users with third parties.

6. Use of cookies and similar technologies

We do not use cookies or similar technologies in our app.

7. Opt-out options

At this time, we do not offer users the option to opt-out of certain types of data collection or processing.

8. Changes to this Privacy Policy

We reserve the right to update or modify this Privacy Policy at any time. If we make any material changes, we will notify our users by posting a revised version of this Privacy Policy on our website or through other reasonable means.

9. Contact Us

If you have any questions or concerns about this Privacy Policy, please contact us at wmmajaliwa@gmail.com
